The Cobb County Zoning Ordinance Section 134-94 states that the Cobb County Board of Zoning Appeals must determine that applying the terms of the Zoning Ordinance without the variance would create an unnecessary hardship. Please state what hardship would be created by following the normal terms of the ordinance.

My husband has had a massive stroke, heart attack & is on permanent dialysis. He is unstable on his feet and has a difficult time "navigating" the steps in our home. Because I am the only one working our income is drastically reduced. We cannot afford to move so we need to add on a bedroom & bathroom so he can basically live on one level.
