The Cobb County Zoning Ordinance Section 134-94 states that the Cobb County Board of Zoning Appeals must determine that applying the terms of the Zoning Ordinance without the variance would create an unnecessary hardship. Please state what hardship would be created by following the normal terms of the ordinance.

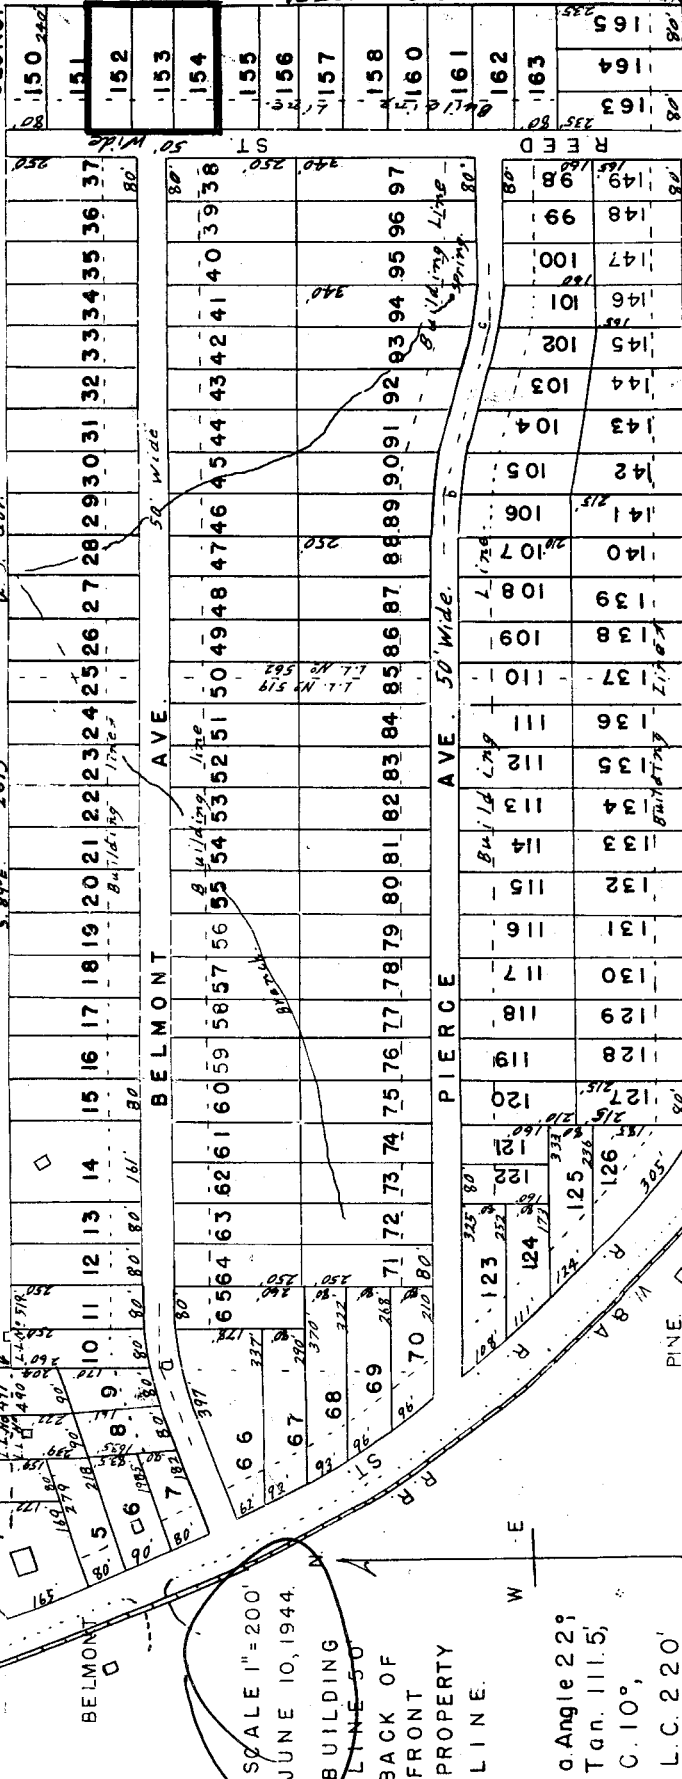

Belmont S/D was recorded 6/10/1944. Mr. Bill Adams sold a portion of Lots 152, 153 & 154. He later sold the retainage to Mr. Vaughters. The land would be best utilized by recording the variance plat as shown. This would closely conform to the original plat and conform to the lots in the surrounding area.

List type of variance requested: 1) WAIVE THE LOT SIZE FROM THE REQUIRED 20,000 SQ FT TO 18006 FOR LOT 152, 18179 FOR LOT 153 AND 17507 FOR LOT 154. 2) WAIVE THE SETBACK FOR AN EXISTING ACCESSORY STRUCTURE OVER 650 SQ FT ON LOT 153.
