

**MAY 15, 2012 ZONING HEARING  
“OTHER BUSINESS”  
COMMISSION DISTRICT 2**

**ITEM # 6**

**PURPOSE**

To consider amending the stipulations for St. Benedict’s Episcopal Church regarding Z-21 and SLUP-9 (St. Benedict’s Episcopal Church, LLC) of 2008, for property located in Land Lots 694 and 695 of the 17<sup>th</sup> District, on the east side of Cooper Lake Road, on the west side of Atlanta Road, and on the south side of Daniel Street.

**BACKGROUND**

The subject property is zoned Office and Institutional (O&I) for a church and private school. The original approval included a stipulation that the church install a deceleration lane at the Atlanta Road entrance. The church and school use the curb cuts on Cooper Lake Road for access; the entrance on Atlanta Road is blocked off and is not used. The church is requesting to delay installation of the deceleration lane on Atlanta Road until August 2014. This request was heard April 17, 2012, but was held for further investigation. If approved, all other zoning stipulations would remain in effect.

**FUNDING**

N/A

**RECOMMENDATION**

The Board of Commissioners conduct a Public Hearing and consider the proposed stipulation amendment.

Cobb DOT comment: The driveway is currently closed off with barrels. If this driveway is opened, then recommend the deceleration lane be constructed and driveway converted to a right in only per the zoning requirements. If the driveway will remain closed, then DOT is ok with deferring the deceleration lane construction.

reviewing the staff comments and recommendations and the uses of surrounding properties, we have been authorized by the Applicant and Owner to submit this letter of agreeable stipulations and conditions which, if the Application for Rezoning is approved, as submitted, shall become a part of the grant of the requested zoning and shall be binding upon the Subject Property. This letter shall supersede and replace in full the letter of agreeable stipulations and conditions dated and filed April 30, 2008. The referenced stipulations are as follows:

- (1) The stipulations and conditions set forth herein shall replace and supersede in full any and all prior stipulations and conditions, in whatsoever form, which are currently in place on the Subject Property.
- (2) Rezoning of the Subject Property shall be from the existing zoning category of RM-12 to the proposed zoning category of Office and Institutional ("OI"), site plan specific to that certain As-Built Survey prepared by McClung Surveying Services, Inc. dated May 16, 2002.
- (3) The Subject Property consists of a total of 3.553 acres. Applicant proposes to renovate and refurbish the existing church facilities and parking for a church and day school, up to and including pre-kindergarten and kindergarten.
- (4) The maximum number of students enrolled in the proposed day school shall be two hundred eighty (280). Enrollment shall be as follows:
  - (a) There will be a maximum of eighty (80) students during the 2008-2009 school year which is scheduled to begin September 2008 after completion of renovations to approximately 6,500

square feet on the first floor of the existing structure;

- (b) There shall be a total maximum number of students of two hundred eighty (280), phased-in over the next few years.
- (5) The hours of operation of the proposed day school shall be 6:30 a.m. to 6:30 p.m. to accommodate single-parent families and as well as families where both parents work. Applicant will present a detailed plan for staggered starting times and ending times at the Board of Commissioners Zoning Hearing on May 20, 2008.
- (6) Applicant proposes completion of renovation and occupation of the existing facilities as follows:
  - (a) The church will begin evening meetings at the location during the fall of 2008;
  - (b) Upon completion of renovations to the second and third floors, church administrative offices presently in Vinings will be moved to the renovated facilities;

trim, etc.). In the near future, Applicant will make an addition to the center of the existing structure fronting Atlanta Road. The addition will be approximately 1,200 square feet per floor and will increase meeting and office space while making the exterior façade of the building more attractive.

- (8) The "upper hill" area will be preserved as well as the large specimen trees throughout the site. Applicant will attempt, where possible, to reduce the amount of pavement around stressed trees to prolong their life. Additionally, Applicant agrees to walk the site with neighborhood representatives and mark the tree preserve areas.
- (9) Applicant agrees to site improvements to increase circulation and reduce the traffic impact on Cooper Lake Road as more fully shown and reflected on the traffic pattern and queuing plan prepared by Planners and Engineers Collaborative dated May 6, 2008, and submitted contemporaneously with this letter. These improvements will include, but not be limited to, relocating the Atlanta Road entrance slightly to the south, adding a decel lane within the limits of the topography, and reducing access from a full access to a right-in/right-out only. Three of the five entrances on Cooper Lake Road will be closed.
- (10) Applicant has done extensive research into making the proposed school and traffic patterns consistently acceptable for the total number of students planned.

The traffic pattern and queuing plan referenced in paragraph (9) and submitted herewith reflects the traffic patterns for queuing for both pick-ups and drop-offs of students. Each student and parent will be provided with a number which will be placed on a

small board which will be required to identify the student and parent, allowing pick-up of the student. A staff member will be stationed at a point in the queuing line closer to Cooper Lake Road armed with a walkie-talkie. As the parent approaches the pick-up, the staff member will notify another staff member stationed at the pick-up point to have that student or students ready for pick-up when the vehicle arrives. This prevents parents waiting in line at the pick-up point for the student to be located. Space will be provided for at least four (4) vehicles to pick-up simultaneously.

Another staff person will be located at the entrance on Atlanta Road to facilitate permitting vehicles to either exit Atlanta Road or proceed around the queue line to Cooper Lake Road to exit. This will avoid needless delay in allowing vehicles to exit the pick-up point. These operational procedures have been investigated and have proven to greatly ease any delay in moving vehicles through the process.

- (11) Minor modifications to the within stipulations, the referenced As-Built Survey, landscaping, architecture, site features, and the like, may be approved by the District Commissioner, as needed or necessary.
- (12) If Applicant does not close on the purchase of the Subject Property on or before December 31, 2009, the zoning on the Subject Property shall revert to its pre-existing category of RM-12.

We believe the requested zoning, pursuant to the As-Built Survey and the revised stipulations set forth herein, is an appropriate use of the Subject Property. The rezoning and the use sought by Applicant shall allow for the existing facilities to be renovated and used for the benefit of the surrounding community.

The afternoon is the most likely time for a long carpool queue to form. Based on the maximum projected number of students at the standard elementary dismissal, all 75 parents could arrive at the site and be accommodated in the 45 numbered carpool parking spaces and the carpool queue.

During afternoon carpool times, a spotter will be stationed at the northwest corner of the parking lot and will radio the carpool number of the arriving cars to the carpool coordinator in the building. Similar to the morning, a minimum of two adults will be assisting the students in loading and buckling so that cars may quickly move forward. Our school partners currently use this method at both of their sites and move 50 to 60 children in 15-20 minutes without any problems. Staff can be added as necessary.

Given the maximum of 80 students during the first year, we have the opportunity to fine-tune our process, if necessary, before adding additional students in the fall of 2009. during the first year, every parent could arrive before the start of carpool, the coordination of calling students could be a failure and every car could still be accommodated onsite in parking and the carpool queue.

**BEFORE THE COBB COUNTY BOARD OF COMMISSIONERS**

**Applicant/Titleholder: St. Benedict's Episcopal Church, LLC**

On June 16, 2009, the Cobb County Board of Commissioners granted Applicant's request to allow for the operation of a farmer's market on the Subject Property. Applicant agreed to stipulations pertaining to the operation of the market, and the Board of Commissioners added stipulations, as well as revised certain stipulations. One stipulation added by the Board of Commissioners was the amendment for the termination of the farmer's market on December 31, 2009.

Applicant now seeks to amend the stipulations to again allow for the operation of the farmer's market on the Subject Property through and including December 31, 2013. The portable classroom units have been removed from the Property, and much of the construction and renovation work has been completed which would allow for additional space to accommodate the public, as well as vendor booths and parking. The market was very successful in its first year of operation in 2009 and was used as a ministry and outreach for the Smyrna/Vinings/Oakdale communities. As in the past, Applicant will use its best efforts to ensure that the market will be a first-class experience for both the vendors and the patrons.

Applicant agrees that should any problems arise during the operation of the farmer's market during the period herein allowed, the District Commissioner may require a "show cause" hearing to have the Applicant respond to the problems presented. Cobb County shall specify the specific problems to be addressed, which shall be included in the notification as to a "show cause" hearing. Cobb County shall provide a minimum of thirty (30) days' prior written notice as to any such hearing. At any hearing, the Applicant may present evidence on its behalf in response to any problem(s) presented. If, upon hearing, the Board of Commissioners determines the problem(s) does exist, the Board of Commissioners may grant a period of time for Applicant to correct the problem; or, if the problem is substantial enough, revoke the permit for the remainder of the term of the Land Use Permit.

**BEFORE THE COBB COUNTY BOARD OF COMMISSIONERS**

**Applicant: St. Benedict's Episcopal Church, LLC**

Applicant requests an amendment to the stipulations and conditions approved by the Cobb County Board of Commissioners in hearings regarding the Application for Rezoning (Z-21 (2008)) on May 20, 2008, and Application for Special Land Use Permit (SLUP-9 (2008)) on July 15, 2008. Certain stipulations as to each Application were amended by the Board of Commissioners on December 16, 2008, through an "Other Business" request.

Applicant proposes a farmer's market on its premises. The market will operate as a ministry of the Church to provide the residents of Smyrna/Vinings/Oakdale communities access to health, locally grown, raised or produced food items including produce, meats, cheese, and baked items. Applicant will use its best efforts to ensure that this market will be a first-class experience for both the vendors and the patrons.

Applicant agrees to condition this amendment upon the following:

- (1) To provide local farmers and food purveyors a once a week, seasonal marketplace to sell their goods to the residents of Smyrna/Vinings/Oakdale communities.
- (2) The market day, which is currently proposed for Tuesday, shall be from 4:00 p.m. to 8:00 p.m. Vendors will be allowed to begin setting up at 3:00 p.m. on market days. All vendors will be required to remove all trash and unsold food items from the Property within thirty (30) minutes of market close.
- (3) Vendors must remove all organic material from the Property and will be prohibited from using on-site dumpster or trash receptacle.

- (4) Vendors will be restricted to one 12 x 12 foot "plot" within which to display their goods, and will be required to use the pop-up style tent provided by the Applicant. Vendors will be held accountable for having all necessary licenses, inspections, and permits to sell their goods and report appropriate sales taxes. Applicant will conduct random inspections of these licenses and permits on a regular basis.
- (5) All signage related to the market will be designed professionally to ensure that they are aesthetically appropriate for the intersection. In addition, they will be posted and removed in a timely fashion. The signage may be only placed the day of the market.
- (6) This amendment, if approved, shall terminate September 1, 2009, unless extended by the District Commissioner.

The balance and remainder of the stipulations and conditions specifically enumerated in the official minutes, and attachments thereto, of the Board of Commissioners Zoning Hearings held on May 20, 2008, as to Application No. Z-21 (2008) and July 15, 2008, as to SLUP-9 (2008), as well as the amended official minutes, including attachments, held on December 16, 2008, are unaltered by this request for stipulation amendment.

Applicant believes this to be an important ministry, and one that is very beneficial to the community at large.
