TRANSPORTATION COMMENTS

The following comments and recommendations are based on field investigation and office review of the subject rezoning case:

ROADWAY	AVERAGE DAILY TRIPS	CLASSIFICATION	MIN. R.O.W. REQUIREMENTS
Gilmore Road	N/A	Minor Collector	60'
Beech Haven Trail	6,400	Minor Collector	60'

Gilmore Road and Beech Haven Trail are both classified as a Minor Collector. According to the available information, the existing rights-of-way do not meet the minimum requirements for this classification.

Young Street Extension, from Atlanta Road to Cumberland Parkway, is a Cobb County Road Project as part of the Transportation Improvement Program (Project No. 7404- 44) to provide a 4-lane median divided facility with sidewalk on both sides of the road. This project is presently under construction. The owner/developer/applicant must coordinate with the Cobb DOT Engineering Division, Construction Section prior to development plan approval in order to ensure compatibility with the road project.

To demarcate the access location as well as drainage concerns, DOT recommends the installation of curb and gutter along Beech Haven Trail property frontage.

As necessitated by this development for ingress into the facility from the Minor Collector, a minimum 150' deceleration lane will be required.

The applicant will have to verify that minimum intersection sight distance is available. If it is not, the applicant will have to implement remedial measures, subject to approval by the Department, to achieve the minimum requirements of 312.5' for the proposed access at its intersection with the Minor Collector. A sight distance profile has been requested.

RECOMMENDATIONS:

Recommend applicant consider entering into a development agreement pursuant to O.C.G.A. 36-71-13 for dedication of the following system improvements to mitigate traffic concerns: a) donation of right-of-way on the east side of Beech Haven Trail, a minimum of 30' from the roadway centerline; b) donation of right-of-way on the south side of Gilmore Road, a minimum of 30' from the roadway centerline; c) installation of curb and gutter along Beech Haven Trail property frontage.

Recommend 150' deceleration lane for ingress into the facility from the Minor Collector.

**THE FOLLOWING REPRESENTS THE FINAL DECISIONS OF THE COBB COUNTY
BOARD OF ZONING APPEALS**

THE BELOW SYTLED VARIANCE WAS HEARD BY THE COBB COUNTY BOARD OF ZONING APPEALS OF APRIL 14, 1999: **GEORGIA DEVELOPMENT & REALTY INC.** requests a variance to waive the lot size from required 20,000 square feet to 14,810 square feet to allow the applicant to submit for rezoning to OI in Land Lot 820 of the 17th District. 0.34 acre. Located at the southeast intersection of Gilmore Road and Beech Haven Trail. Mr. Scott McGregor spoke for applicant. Mr. Henry Reed spoke in opposition to variance and proposed zoning/use. Chairman Vasant explained that variance was only to allow applicant to apply for rezoning. Upon conclusion of conversations, the Board of Zoning Appeals **approved** variance request. Motion by Homan, second by Vasant, carried 4-0.
