

**AUGUST 20, 2013 ZONING HEARING
“OTHER BUSINESS”
COMMISSION DISTRICT 4**

ITEM # 4

PURPOSE

To consider amending the zoning stipulations relating to Z-19 of 2011 (Angelyn Clay Walker), for property located at the northeast corner of Clay Road and Austell Road in Land Lots 1140 and 1141 of the 19th District.

BACKGROUND

The subject property was approved for a fruit stand, carwash and retail sales of high school logo items on June 17, 2011. The applicant would like to amend some of the zoning conditions to expand the allowable uses on the property. The applicant would like to sell nursery items such as plants, trees and shrubs, including pumpkins and Christmas trees during the holiday seasons. The applicant would add an awning on the Austell Road side of the building to display and protect the plants; this awning would be 20 feet wide and 105 feet long. The applicant would also like to sell food items and holiday decorations. Lastly, the applicant would like to remove the prohibition on outdoor storage so they can sell the items above. The applicant has submitted a letter entitled “Request to be added to Stipulation”, which outlines their request. If approved, all previous zoning stipulations would remain in effect.
