CEMETERY PRESERVATION: Variance petition V-115, 2013 (in Land Lot 987 of the 16th District) shows the presence of Marietta Campground Perpetual Care Cemetery located at the intersection of Roswell Road and Cemetery Road.

The applicant, William G. Gantt, requests the sign ordinance be waived. The ordinance limits the free-standing sign size to 32 square feet. Mr. Gantt would like to install a 136 square foot free-standing sign. The Cemetery Preservation Commission feels that the proposed sign is out of proportion with the area of the cemetery and would like to request the sign be scaled down to half the size.

The Cobb County Zoning Ordinance Section 134-94 states that the Cobb County Board of Zoning Appeals must determine that applying the terms of the Zoning Ordinance without the variance would create an unnecessary hardship. Please state what hardship would be created by following the normal terms of the ordinance (If applying for Backyard Chickens pursuant to Sec.134-94(4), then leave this part blank).

Roswell Road project made existing sign hard to see due to a retaining wall and safety railing. The proposed sign would make it easier visitors to find the cemetery.

List type of variance requested: Waive the size of a free standing sign from 32 sf to 136 sf.
