**BEFORE THE COBB COUNTY BOARD OF COMMISSIONERS**

**Applicant:** Atlantic Realty Development LLC  
**Property Owner:** B. F. Saul Real Estate Investment Trust

On March 15, 2005, the Cobb County Board of Commissioners approved the rezoning of an approximate 50.05 acre tract located at the northwest intersection of Circle 75 Parkway and Windy Ridge Parkway, the intersection of Circle 75 Parkway and Herodian Way, and on the south side of Herodian Way to the Planned Village Community ("PVC"). The rezoning was an amendment to the Master Plan previously approved by Cobb County to allow for the development of the residential component of the Master Plan. A copy of the amended, approved Master Plan is attached hereto as Exhibit "1" and incorporated herein by reference.

The property involved in this Application for "Other Business" is a 7.97 acre tract located on the westerly side of Circle 75 Parkway, northerly of Windy Ridge Parkway (hereinafter "Property" or "Subject Property"). Applicant is seeking to amend the portion of the previously approved Master Plan; as well as amend certain stipulations approved during rezoning of the residential component of the Master Plan. The proposed approval and amendments are enumerated as follows:

- (1) Applicant seeks approval of the Zoning Plan dated October 10, 2013, prepared for Applicant by The Preston Partnership, LLC, specific as to the development of the Subject Property only. A reduced copy of the proposed Zoning Plan as to the Subject Property is attached hereto as Exhibit "2" for ease of review and incorporated herein by reference.
- (2) Applicant seeks to amend the stipulations applicable to the Subject Property which are more particularly set forth in the letter of agreeable stipulations and conditions dated March 9, 2005, page 8, section titled "Residential Component 'D,'" which are attached and referenced in the official minutes of the Board of Commissioners Zoning Hearing held on March 15, 2005, by deleting said stipulations in their entirety and inserting in lieu thereof the following:

**RESIDENTIAL COMPONENT “D”**  
**(Pursuant to Zoning Plan dated October 10, 2013)**

- (1) The Property is designated as Area “D” on the previously approved Conceptual Site Plan (Z-116 (2005)) and is located on the westerly side of Circle 75 Parkway, northerly of Windy Ridge Parkway and contains approximately 7.97 acres. Applicant seeks development of the Property for a multi-family residential community pursuant to the Zoning Plan dated October 10, 2013, prepared by The Preston Partnership, LLC and submitted with this Application for “Other Business.”
- (2) There shall be a maximum of two hundred seventy-five (275) units contained within two (2) mid-rise buildings, up to a maximum of six (6) stories in height, with surface parking.
- (3) The proposed residential buildings shall contain a maximum of 7,000 square feet for potential accessory service retail, such as dry cleaners, convenience store, and the like, which will be located on the ground floors.
- (4) The amenities for the residential community shall include, but not be limited to, the following:
  - i) Resident lounge/cyber café;
  - ii) Fitness and aerobic center;
  - iii) Conference center;
  - iv) Resort-style pool, with grill cabana;
  - v) Walking trails; and
  - vi) Dog-walk park (which is already constructed).
- (5) All streets within the residential community shall be private with the construction therefor complying in all respects as to materials, base, and other requirements to the Cobb County Code.
- (6) The units shall consist of 1, 2, and 3 bedroom units ranging in square footage from 700 square feet to 1,350 square feet.
- (7) The exterior façade of the residential buildings shall consist of brick, stone, stacked stone, hardi-plank type, and combinations thereof, and shall be substantially similar to the renderings to be presented at the hearing before the Board of Commissioners.
- (8) Signage for the residential community shall be ground-based, monument style, and shall consist of materials complementary to

the materials comprising the exterior façade of the residential buildings.

- (9) Lighting within the residential community shall be environmentally sensitive, decorative, and themed to the architecture and style of the residential buildings.
- (10) Additionally, hooded security lighting shall be utilized on the building and throughout the walkways, surface parking area, and amenity area.
- (11) If closing of the Property does not occur between Applicant and Owner within one hundred eighty (180) days following the final zoning approval of the amendments sought by Applicant in this Application for "Other Business," then, and in such event, the zoning shall automatically revert to the zoning pre-existing (including the approved stipulations and conditions and the approved Master Plan) at the time of filing of this Application for "Other Business," being Z-116 (2004), approved by the Cobb County Board of Commissioners on March 15, 2005.

The amendments proposed and presented herein in no way adversely impact or affect the quality or integrity of the overall development. If the requested amendments are approved, as submitted, they shall become an additional part of the final rezoning and shall be binding upon the Subject Property and the overall development.

Unless otherwise specifically set forth herein, the Conceptual Site Plan and the balance and remainder of the stipulations and conditions enumerated in the official minutes, and attachments thereto, of the Board of Commissioners Zoning Hearing held on March 15, 2005 in Application No. Z-116 (2005), are unaltered or unchanged by this request for Site Plan and Stipulation Amendment.

Property: 50.05 acres located at the  
intersection of Circle 75  
Parkway and Herodian Way,  
Land Lots 850, 876, 877, 878,  
916, and 917, 17<sup>th</sup> District,

Georgia

Dear John:

On behalf of the Applicant and Property Owner for the above-referenced Application for Rezoning, please allow this correspondence to serve as a supplement to the letter of agreeable stipulations and conditions dated and filed with your office on March 9, 2005, which if the Application for Rezoning is approved, as submitted, shall also become part of the grant of the requested zoning and shall be binding upon the Subject Property. Applicant deletes in its entirety subparagraph (9) of "Residential Component 'A'" and inserts in lieu thereof the following:

"(9) There shall be a right turn lane constructed by the Applicant, including all permitting costs, at the entrance to Waterford Place. The turn lane shall be constructed to meet Cobb County standards and shall

include the relocation and reconstruction of any entrance signs or monuments, landscaping, irrigation system, lighting, etc., impacted by the turn lane construction. In addition, Waterford Place and Applicant agree to grant necessary easements or to quitclaim and transfer title on property necessary to construct the turn lane. The construction and landscaping shall be generally in conformance with drawings by Roy Ashley & Associates dated March 7, 2005, and by URS dated March 11, 2005, and being Project No. 1528006."

The balance and remainder of the stipulations and conditions set forth in the March 9, 2005, correspondence shall be unaltered by this supplement.

As previously stated, we believe the requested zoning, pursuant to the revised Conceptual Site Plan and the revised stipulations set forth in the March 9, 2005, and the revision contained herein, is an appropriate use of the Subject Property. The proposed community is an exciting concept which fits together numerous types of product into one development. The Applicant has gone to great detail in planning the development. The proposed community shall promote the "live where you work" concept; shall be of the highest quality; shall be compatible with surrounding retail developments and neighborhoods; and shall be an enhancement to the Subject Property and Cobb County as a whole.
