Re: Old Ivy Subdivision

Dear Mark:

Please except this letter as an official request to petition the Cobb County Board of Commissioners for a minor plan amendment to the above referenced subdivision. I have reviewed the revisions with your staff and was advised to contact the commissioner for this District, Mr. Sam Olens. I have discussed the proposed changes with his office and they agree this is a minor change in the previously approved plan for this development.

The changes we are requesting are to the "legs" serving Lot 14 moving from the south side of Lot 18 to the north side of Lot 18. The purchaser of Lot 2, Dr. Jerdan, is also requesting us to combine Lots 2 and 18 for a total of 9.36 Acres (eliminating Lot 18) and moving the Proposed Home Site closer to the original line dividing these lots. We are also requested to move the line dividing Lots 3 and 4 a distance of 10.0' north (onto lot 3) at the same time these other revisions are made to the recorded Subdivision Plat.

Thank you for your assistance in this matter. If I may be of any service please contact me.

Sincerely,

Larry D. Neese  
President

County Board of Commissioners on August 19, 1997, and April 20, 2000, respectively. After continuing discussions with area residents, we respectfully submit the following revised stipulations and conditions, which, if the amendments requested in the pending Application for "Other Business," are approved, as presented, shall become binding approvals and stipulations for development of the Subject Property. This letter of revised agreeable stipulations and conditions shall supersede and replace in full the prior stipulation letter dated and filed October 9, 2013. The revised stipulations and conditions proposed on behalf of Applicant are as follows:

For purposes of this paragraph, any modifications that increase density; reduce the size or composition of an approved buffer or landscape strip to adjacent property; relocate a structure closer to a property line; or, increase the height of a building adjacent to property which are in direct contradiction to or conflict with the foregoing stipulations, will come back through the public hearing process as an "Other Business" Application."
- (12) Except as otherwise amended by the Site Plan and the stipulations presented in the pending Application for "Other Business," the balance and remainder of the stipulations and conditions enumerated in the official minutes, and attachments thereto, approved by the Cobb County Board of Commissioners on August 19, 1997, and April 20, 2000, are unaltered and unchanged by this request for site plan and stipulation amendment.

We believe the amendments requested pursuant to the revised stipulations and conditions and the Site Plan presented herein will allow for an appropriate use of the Subject Property while taking into consideration the area and existing neighborhoods and residents surrounding the proposed development. The proposed addition to the existing residential community of Old Ivy shall be of the highest quality, shall be compatible with surrounding neighborhoods, and shall be an enhancement to the Subject Property and the community as a whole. Thank you for your consideration in this request.
