Please select the extraordinary and exceptional condition(s) to the piece of property in question. The condition(s) must be peculiar to the piece of property involved.

Size of Property _____ Shape of Property _____ Topography of Property _____ Other _____

The Cobb County Zoning Ordinance Section 134-94 states that the Cobb County Board of Zoning Appeals must determine that applying the terms of the Zoning Ordinance without the variance would create an unnecessary hardship. Please state what hardship would be created by following the normal terms of the ordinance (If applying for Backyard Chickens pursuant to Sec.134-94(4), then leave this part blank).

The reason is because the Carport and the shed are already legal and does not need fixing but in case Im just going to make share and all I want to do is get all of this overwith.

List type of variance requested: Reduces the side set back.
