On July 15, 2014, the Cobb County Board of Commissioners approved rezoning to the R-20 zoning classification of approximately 15.17 acres located on the northeast side of Jamerson Road, west of Wigley Road (being known as 2711, 2727, and 2750 Jamerson Road), Land Lots 48 and 97, 16th District, 2nd Section, Cobb County, Georgia (hereinafter the "Property" or the "Subject Property"). The rezoning was approved site plan specific to the Site Plan attached and incorporated as part of the final, official minutes.

Applicant now seeks amendment to and approval of a modification to the previously approved Site Plan, as follows:

- (1) Submitted with this Application for "Other Business" is the Revised Zoning Plan titled as Site Layout and Water Plan prepared by WK Dickson (undated) (hereinafter "Site Plan"). The revised Site Plan reduces the total acreage within the development to 11.84 acres, and further reduces the number of lots within the development from a maximum of twenty-six (26) single-family residential lots to a maximum of twenty-two (22) single-family residential lots, as more particularly shown and reflected on the revised Site Plan. A reduced copy of the revised Site Plan is attached as Exhibit "1," and incorporated herein by reference.

If the revised Site Plan is approved, as submitted in this Application, it shall become an additional part of the final rezoning and shall be binding upon the Subject Property.

The balance and remainder of the stipulations and conditions specifically enumerated in the final, official minutes, and attachments thereto, of the Board of Commissioners Zoning Hearing held on July 15, 2014, applicable to the development of the Subject Property are unaltered by this request for Site Plan Amendment and Approval and shall remain in full force and effect.

discussions with area residents, and following the presentation to and hearing before the Cobb County Planning Commission and the recommendation thereof, we have been authorized by the Applicant to submit this revised letter of agreeable stipulations and conditions which, if the Application for Rezoning is approved, as submitted, shall become a part of the grant of the requested zoning and shall be binding upon the Subject Property. This revised letter of agreeable stipulations and conditions shall replace and supersede in full the previous letters dated and filed May 28, 2014, and June 26, 2014. The revised stipulations are as follows:

- (1) The stipulations and conditions set forth herein shall replace and supersede in full any and all prior stipulations and conditions, in whatsoever form, which are currently in place on the Subject Property; together with any and all prior Departmental Comments and Staff Recommendations submitted by Planning, Fire, Water, Sewer, and Drainage, relating to the Subject Property from any previous zoning actions.
- (2) Applicant seeks rezoning of the Subject Property from the existing zoning category of R-30 to the proposed zoning category of R-20, site plan specific to the revised Zoning Plan prepared by WK Dickson dated April 1, 2014, and filed with the previously revised stipulation letter dated and filed June 26, 2014. A reduced copy of the revised Zoning Plan is attached hereto for ease of reference as Exhibit "A" and incorporated herein by reference.
- (3) The Subject Property consists of 15.17 acres of total site area and shall be developed for a residential community comprised of a maximum of twenty-six (26) single-family, detached residences. The existing residence and real property shall remain and not be a part of the proposed residential community. Therefore, the overall density is 1.71 units per acre.
- (4) The proposed residences shall have a minimum of 2,000 square feet, ranging upwards to 4,000 square feet, and greater.
- (5) The proposed residences shall be traditional and craftsman in style and architecture and will have a minimum two-car garage.
- (6) The residences within the proposed community shall have "three-sided" architecture, having the front and sides of the proposed residences comprised of brick, stone, stacked stone, hardi-plank, and stucco-type finishes, with complementary accents, or combinations thereof. No vinyl materials shall be used on the exterior of the proposed residences. The residences which back-up to

Jamerson Road shall have a water table of brick, stone, or combinations thereof, and a mix of cedar-shake type and hardi-plank siding on the rear elevation. Elevations of homes comparable to those to be constructed within the proposed development will be presented to the Planning Commission and Board of Commissioners at their respective zoning hearings.

- (7) The setbacks for the proposed residential community shall be as follows:
 - (a) Front Setback: Twenty-five (25) feet;
 - (b) Rear Setback: Thirty-five (35) feet;
(Excepting only Lot 26, which shall be thirty (30) feet; and
 - (c) Side Setback: Ten (10) feet.
- (8) All front and side yard areas of the proposed residences shall be fully sodded.
- (9) Applicant agrees to the creation of a mandatory homeowners association consistent with communities within the area. The mandatory homeowners association shall be responsible for the upkeep and maintenance of all common areas, entrance area, and areas around the detention ponds contained within the proposed residential community.
- (10) Additionally, and in conjunction with the creation of the mandatory homeowners association, Applicant agrees to the recording and enforcement of protective covenants which will contain covenants, rules, and regulations applicable to the proposed development.
- (11) The entrance signage for the proposed community shall be ground based, monument-style signage, and shall consist of brick, stone, or combinations thereof, with accents. The entrance landscaping shall be professionally designed and implemented. Maintenance of the entrance area shall be by the mandatory homeowners association as set forth in the declaration of covenants, easements, and restrictions.
- (12) All utilities servicing the residences within the proposed community shall be underground.

- (13) The side of the detention ponds facing Jamerson Road shall be brick, stone, or a combination thereof. The landscaping for the detention areas and the frontage of Jamerson Road shall be as shown and depicted on that certain Landscape Plan which shall be presented to the Cobb County Planning Commission and Cobb County Board of Commissioners at their respective Zoning Hearings.
- (14) Any trees or wood debris removed during the development or construction process shall be ground on site or removed, but in no instance shall be burned on site.
- (15) There shall be a non-disturbed buffer twenty (20) feet in width along the rear of Lots 14, 23, 24, 25, and 26. The buffer may be fenced by the eventual homeowners. Dead or dying trees, together with any tree that poses a danger to a residence, may be removed.
- (16) Applicant agrees to construct a solid wooden, stained fence, a minimum of six (6) feet in height, along the boundaries of the Subject Property; excepting only, that no fence shall be erected along Jamerson Road; and excepting, that along proposed Lot 13 boundary, Applicant shall install said fence on the property of the owner of the property adjacent to Lot 13. Said fence shall be maintained by the mandatory homeowners association.
- (17) Applicant agrees to orient the residence to be constructed on proposed Lot 13 with the residence facing down the hill, and the thirty (30) foot side driveway turn-in entrance on the wall side of the Lot. There shall be no upstairs windows facing the wall; excepting only, if such window or windows are required by Cobb County, and if any window is a bathroom window, said window shall be frosted.
- (18) Applicant agrees to include and insert within the protective covenants for the subdivision a requirement that no homeowner or resident may remove or alter the wall next to Lot 13.
- (19) There shall be no direct access from any lots within the proposed community to Jamerson Road.
- (20) All construction and employee vehicles and equipment will be parked, and otherwise located on, the Subject Property during development of infrastructure and construction of residences, and shall not be parked on Jamerson Road or

surrounding neighborhood streets. There will be no stacking of vehicles on Jamerson Road waiting for entry onto the Subject Property.

- (21) Applicant shall construct a sidewalk along one side of the street within the proposed community. The interior sidewalk shall connect to Jamerson Road.
- (22) The District Commissioner shall have the authority to approve minor modifications to these stipulations and conditions and the Zoning Plan as the development proposal proceeds through the Plan Review process and thereafter. For purposes of this paragraph, any modifications that increase density; reduce the size or composition of an approved buffer area or landscape strip to adjacent property; relocate a structure closer to a property line; or increase the height of a building adjacent to property which are in direct contradiction to or conflict with the foregoing stipulations, will come back through the public hearing process as an "Other Business Application agenda.
- (23) All landscaping referenced herein shall be approved by the Cobb County Arborist as part of the plan review process and incorporated into the overall landscape plan for the proposed community, and shall be irrigated as necessary.
- (24) Applicant agrees to comply with all Cobb County Stormwater Management requirements applicable to the Subject Property.
- (25) Applicant agrees to comply with all Cobb County development standards and ordinances relating to project improvements, except as approved by the Board of Commissioners or by the Department of Transportation or Community Development Agency, as their authority may allow.
- (26) All setbacks, landscape, and buffer areas may be penetrated for purposes of access, utilities, and stormwater management, including, but not limited to, drainage facilities and any and all slopes or other required engineering features of the foregoing. Any disturbed areas must be replanted.
- (27) Applicant agrees to the following system improvements to mitigate traffic concerns:
 - (a) Verification that minimum sight distance is available; and if not, implement remedial measures to correct any deficiency; and

- (b) Any existing curb, gutter, and sidewalk along Jamerson Road which may be damaged during construction shall be replaced by Applicant following completion of the development.

We believe the requested zoning, together with the revised Zoning Plan and the revised stipulations set forth herein, is an appropriate use of the Subject Property while taking into consideration the area and existing neighborhoods and residents surrounding the proposed development. The proposed residential community shall be of the highest quality, shall be compatible with surrounding neighborhoods, and shall be an enhancement to the Subject Property and the community as a whole. Thank you for your consideration in this request.

With kindest regards, I remain

Very truly yours,
