

**SEPTEMBER 15, 2015 ZONING HEARING
“OTHER BUSINESS”
COMMISSION DISTRICT 1**

ITEM # 034

PURPOSE

To consider amending the zoning stipulations for Traton Homes, LLC regarding rezoning application Z-4 (Traton Homes, LLC Inc.) of 2013, for property located on the eastern side of Mars Hill Church Road, at Stilesboro Lane in Land Lot 146 of the 20th District. *(Held by the Board of Commissioners from the August 18, 2015 zoning hearing).*

BACKGROUND

The property was rezoned to R-20 in 2013 for a subdivision subject to many stipulations. There is a cemetery on the adjacent property located in the northwest corner. The zoning conditions called for a 35’ buffer adjacent to the cemetery with signs that read “CEMETERY PRESERVATION BUFFER- DO NOT DISTURB” every fifty-feet. The applicant would like to amend this stipulation to have the cemetery signs placed on the fence line that separates the cemetery from the residential properties, which is ten-feet off the cemetery boundary. The thirty five foot buffer will remain intact. If approved, all previous stipulations not in conflict would remain in effect.

RECOMMENDATION

The Board of Commissioners conduct a Public Hearing and consider the proposed stipulation amendment.

BEFORE THE COBB COUNTY BOARD OF COMMISSIONERS

Applicant/Titleholder: Traton Homes, LLC

The property which is the subject of this Application for "Other Business" is located on the easterly side of Mars Hill Church Road, northeasterly of the intersection of Giles Road and Mars Hill Church Road, Land Lot 146, 20th District, 2nd Section, Cobb County, Georgia, and is being developed for a single-family residential development known as McClure Farm (hereinafter the "Property" or the "Subject Property"). The Property was rezoned by the Board of Commissioners on February 19, 2013, from the R-30 zoning classification to the R-20 zoning classification, which included certain stipulations. By this Application for "Other Business," the Applicant seeks to amend certain stipulations imposed by the Cobb County Board of Commissioners and set forth in the final, official minutes from the Zoning Hearing held on February 19, 2013.

The amendment requested is as follows:

- (1) Amendment of subparagraph E of the Cemetery Preservation Comments from the February 2013 Zoning Analysis to allow for placement of the cemetery preservation signage on the fence line rather than the buffer line. Therefore, the amended subparagraph E would read as follows:
 - E. Permanent signs stating CEMETERY PRESERVATION BUFFER – DO NOT DISTURB shall be erected at fifty (50) foot intervals along the "fence" line of the Subject Property and Mars Hill Memorial Association/Mars Hill Presbyterian Church Cemetery.

The amendment requested and presented above in no way adversely impacts or affects the Subject Property or the development approved for construction upon the Subject Property. If the amendment is approved, as submitted in this Application, it shall become an additional part of the final rezoning and shall be binding upon the Subject Property.

The balance and remainder of the stipulations and conditions specifically enumerated in the final, official minutes, and attachments thereto, of the Board of Commissioners Zoning Hearing held on February 19, 2013, applicable to the Subject Property are unaltered by this request for Stipulation Amendment and shall remain in full force and effect.

A reduced copy of the revised Zoning Plan submitted herewith is attached as Exhibit "A" for ease of reference and made a part hereof by reference.
