

**DECEMBER 15, 2015 ZONING HEARING
“OTHER BUSINESS”
COMMISSION DISTRICT 4**

ITEM OB-057

PURPOSE

To consider amending the stipulations for Elite Auto Collision & Sales regarding rezoning application Z-175 of 1999 (Furniture World, Inc.), for property located on the south side of Veterans Memorial Highway, in Land Lots 46 and 71 of the 18th District.

BACKGROUND

The subject property was rezoned to Light Industrial (LI) for a Retail furniture store and warehouse in 1999. One of the zoning conditions limited the use of the property for the “*existing furniture business use only*”. The furniture store use has now ceased operations. The applicant would like to amend the zoning stipulations to allow their use on the property, which is an auto body repair shop. All repairs would be done inside the building. The applicant plans on renovating the inside of the building to suit their needs. It should be noted the applicant’s use is a permitted use in LI, but they would need a contemporaneous variance to allow this use adjacent to a residential district. If amended, all other zoning stipulations would remain in effect.

STAFF COMMENTS

Stormwater Management Comments: Subject to all previous Stormwater Management comments to remain in effect and all auto repair work to be performed inside the building.

Cobb DOT: Recommend GDOT permits for all work that encroaches upon State right-of-way.

RECOMMENDATION

The Board of Commissioners conduct a Public Hearing and consider the proposed stipulation amendment.

Re: Application of Furniture World, Inc. to Rezone a 9.85 Acre Tract from
PSC & R-20 to LI (No. Z-175)

Dear Ed:

This firm has been engaged by and represents the applicant and property owner concerning the above-captioned application for rezoning. The application is scheduled to be considered by the Cobb County Planning Commission on December 7, 1999 and, thereafter, by the Cobb County Board of Commissioners on December 21, 1999.

As a result of our discussions during the pendency of the application, this letter will serve as my clients' expression of agreement with the following stipulations which shall become conditions and a part of the grant of the rezoning and which shall be binding upon the subject property thereafter:

1. Rezoning of the subject property to the LI classification subject to the continuation of the existing furniture business use only.¹

¹Title to the subject property is presently vested in the Estate of Horace M. Bolton. Mr. Bolton's son-in-law, Gordon D. Garrett (Furniture World, Inc.), is purchasing the existing furniture business (Bolton Furniture) and the balance of the contiguous property owned by the Estate in order to continue and expand the furniture business.

7. Subject to recommendations of the Cobb County Department of Transportation, including the following:

 - b. Verifying minimum sight distance of 475 feet with respect to both entrance points on Veterans Memorial Highway.
 - c. Subject to Georgia Department of Transportation approval with respect to issues related to Veterans Memorial Highway.
 - d. Providing intra-parcel access between the existing tracts.

As you know, the entirety of the subject property is located in an area in which Cobb County's Comprehensive Land Use Plan and Future Land Use Map designate as an Industrial Compatible (IC) zone, a category which permits continuation of the uses in which my clients have been engaged for years. Please do not hesitate to call should you or your staff require any further information or documentation concerning this application for rezoning prior to the formulation of your recommendation to the Planning Commission and Board of Commissioners.

Very truly yours,
