The Cobb County Zoning Ordinance Section 134-94 states that the Cobb County Board of Zoning Appeals must determine that applying the terms of the Zoning Ordinance without the variance would create an unnecessary hardship. Please state what hardship would be created by following the normal terms of the ordinance:

See Exhibit "A" attached hereto and incorporated herein by reference.

List type of variance requested: (1) Reduction of the required public road frontage for a single-family residential lot from seventy-five (75) feet to eighteen (18) feet.  
(See § 134-197(4)(c).)

**EXHIBIT "A" - ATTACHMENT TO APPLICATION FOR VARIANCE**

Application No.: V- 73 (2017)  
Hearing Date: July 12, 2017

**BEFORE THE COBB COUNTY BOARD OF ZONING APPEALS**

**Applicant/Property Owner: Yaneth Medina-Diaz**

Please state what hardship would be created by following the normal terms of the Ordinance:

The property which is the subject of the Application for Variance is located on the easterly side of Macedonia Drive, northerly of Macedonia Road, Land Lot 686, 19<sup>th</sup> District, 2<sup>nd</sup> Section, Cobb County, Georgia, and contains approximately 1.09 acres, is currently undeveloped, and is zoned to the R-20 zoning classification (hereinafter "Property" or "Subject Property"). Applicant purchased the Subject Property in 2013 with the intention of constructing her personal residence. It was only recently when Applicant started the initial process for permitting and construction that she became aware of the minimum required street frontage for the construction of a home. Access to the Property is from Macedonia Drive, and the Subject Property has approximately eighteen (18) feet of frontage on the public roadway. In order for the Property to comply with the R-20 zoning category, a variance must be obtained to reduce the minimum public road frontage requirement from seventy-five (75) feet to eighteen (18) feet. The requested variance is not substantial and would allow an otherwise reasonable and existing use of the Subject Property; especially, given that adjoining and surrounding properties are zoned to the R-15 and R-20 zoning classifications. It is also notable that the Subject Property is a separate, tax parcel and taxed as such by Cobb County.
