

**OCTOBER 17, 2017 ZONING HEARING
“OTHER BUSINESS”
COMMISSION DISTRICT 2**

ITEM OB-028

PURPOSE

To consider a stipulation amendment for S & B Investments, Inc. regarding property located at the northwest intersection of Johnson Ferry Road and Paper Mill Road, in Land Lots 73 and 81 of the 1st District. *(Continued by staff from the July 18, 2017, August 15, 2017 and September 19 2017 hearings)*

BACKGROUND

The subject property is zoned Future Commercial (CF) and R-80 and was developed as part of a commercial development pursuant to a court order issued May 7, 1981 by the Superior Court of Cobb County based on a previous court order from October 12, 1973. The court order allowed the development of Paper Mill Village and outlot's pursuant to a conceptual site plan, architectural renderings and covenants entered into by the developer, area residents and Cobb County. On September 19, 1995 the Board of Commissioners granted consent to allow redevelopment of this property into a Starbucks Coffee and a bagel/bakery/deli store only. The Starbucks is still there, however the bagel shop is gone. On September 18, 2012 the Board of Commissioners granted consent to divide the leasable space in the building into three spaces that would contain Starbucks, a nail salon and a dry cleaner. This amendment concerns adding a proposed drive-thru for the Starbucks along the Paper Mill Road side of the building. Required parking for all three uses is 25 parking spaces; when complete with the remodel, there would be 30 Parking spaces. Also, as part of the remodel, the dumpster enclosure would move closer to the building. It should be noted that Starbucks agreed with the neighbors in 1995 to not have a drive-thru window (see attached OB-1 from September 1995). The applicant has been in discussions with some of the neighbors mentioned in the covenants. If approved all other stipulations and conditions would remain in effect.

STAFF COMMENTS

Stormwater Management: Subject to Plan Review comments.

Cobb D.O.T.: Based on our preliminary analysis of the information provided, vehicle queuing at the canopy order board may result in congestion on adjacent roadways. Recommend applicant submit a queuing study (including arrival and departure times, average vehicle queues, and average wait time) to be approved by Cobb County Department of Transportation. Recommend any queues extending into the private roadways be mitigated with turn lanes/runaround capability.

RECOMMENDATION

The Board of Commissioners conduct a Public Hearing and consider the proposed stipulation amendment.

Re: Other Business Application of S & B Investments Inc. to amend Other Business #3 of S & B Investments Inc. approved by the Board of Commissioners on September 18, 2012 which amended Other Business #1 (Starbucks) approved on September 19, 1995.

Dear John:

This firm has been engaged by and represents S & B Investments Inc. concerning the above-captioned Application. In that regard, enclosed please find the Other Business Application and related documentation, correspondence, and minutes from two (2) Other Business Applications which were heard in September of 1995 and September of 2012, respectively. Also enclosed is a check made payable to Cobb County in the sum of Three Hundred Fifty-Nine Dollars (\$359.00) representing the Application and sign fee.

By way of explanation, you will recall that the subject property is part of a larger tract (Paper Mill Village) which is zoned Future Commercial. On May 7, 1982 the Superior Court of Cobb County allowed a mixed-use development to be constructed at this northwest intersection of Johnson Ferry Road and Paper Mill Road. The order allowed the development subject to it conforming a conceptual site plan, renderings, drawings and covenants between Cobb County, area residents and the developer at that time.

On February 9, 1993, the Board of Commissioners ("BOC") approved an amendment to the original bank use which allowed for a dry cleaners and retail space. On September 19, 1995, the BOC approved a request by Starbucks coffee to amend the court ordered agreements and to build a coffee shop and bagel/deli in lieu of the originally planned dry cleaners.

After the bagel lease expired, Starbucks subleased the space to a dry cleaners and, after that lease expired, the space was subleased to a home improvement shop. However, that lease expired and a dry cleaners and nail salon were approved by the BOC on September 18, 2012 (OB No. 3). Now, to the present time, Starbucks is desirous of gaining better exposure by constructing a ground-based, monument-style sign on Johnson Ferry Road. Additionally, S & B Investments wants to replicate its existing awning with an awning in the middle of the building and on the right side of the building.

Attached is documentation depicting the proposed signage and awnings. For your information, I have been in contact with Representatives of the Chattahoochee Plantation Community Association ("CPCA") to advise that group of these matters. We are asking that the Application be placed on the May 20, 2014 BOC Other Business agenda. Please advise me when the notification signage is ready so that I can ensure that the subject property is properly posted. In the interim, please do not hesitate to call should you have any questions whatsoever regarding these matters. With kind regards, I am

THE FOLLOWING REPRESENTS THE FINAL DECISIONS OF THE COBB COUNTY BOARD OF COMMISSIONERS

OTHER BUSINESS ITEM OF 9-19-95

To consider granting consent to allow Starbucks Coffee to amend the court ordered development of Paper Mill Village to which Cobb County is involved.

Mr. Danneman reported that applicant requests the allowance of a coffee shop and bagel/bakery/deli instead of the previously allowed cleaners. Following this brief presentation the Board of Commissioners approved applicant's request; thereby granting consent to amend the court ordered development of Paper Mill Village, located in Land Lot 73 of the 1st District, at the corner of Johnson Ferry Road and Paper Mill Road, so as to allow for the construction of a Starbucks Coffee and bagel/bakery/deli store subject to: 1) site plan submitted, dated September 17, 1995; 2) rendering of architectural design submitted, dated September 17, 1995; 3) uses of structure limited to Starbucks Coffee and bagel/bakery/deli store; 4) submitted agreement dated September 12, 1995, between the Chattahoochee Plantation Association and Starbucks Coffee Co.; 5) submitted letter dated September 7, 1995 from William I. Abrams of Wilson and Associates Architects, Inc. to Mark Danneman; 6) letter of agreement dated August 30, 1995 submitted by Weltha Brouse to Mr. Rick Kelly; 7) approval by Cobb County Superior Court if required; 8) all other applicable court ordered covenants and stipulations pertaining to Paper Mill Village to remain in effect. Motion by Thompson, second by Byrne, carried 5-0. Clerk's Note: Copies of items 1, 2, 4, 5 and 6 attached and made a part hereof.

**SEPTEMBER 19, 1995 ZONING HEARING
OTHER BUSINESS**

Item #1

PURPOSE

To consider granting consent to allow Starbucks Coffee to proceed to amend the court ordered development of Paper Mill Village to which Cobb County is involved.

BACKGROUND

The subject property is zoned future commercial. The Cobb County Zoning Ordinance does not allow any permits to be issued under a future commercial district. Future Commercial only designates the property to have some commercial potential with no immediate right to use the property. On May 7, 1981 the Superior Court of Cobb County, based on a previous court order on October 12, 1973, allowed a mixed use development to be developed at the northwest intersection of Johnson Ferry Road and Paper Mill Road. The order allowed the development subject to its conformance to a conceptual site plan, renderings and drawings and covenants entered into between Cobb County, area residents and the developer. A copy of the conceptual site plan is attached (ATTACHMENT A). On February 9, 1993 the Board of Commissioners granted consent to allow the original bank use to be amended for a cleaners and retail space. Starbucks Coffee would like to amend the court ordered agreements and build a coffee shop and bagel\deli instead of the cleaners. Starbucks has contacted the remaining area residents who were party to the court order and covenants and has obtained their consent for this change as well as the Chattahoochee Plantation Community Association. Copies of their approval of the amendment is attached (ATTACHMENT B). A copy of Starbucks request is attached (ATTACHMENT C). The architectural design of the building will be consistent with the existing buildings within the Paper Mill Village. A copy of the proposed architectural rendering is attached (ATTACHMENT D). A copy of a proposed site plan is attached for your review (ATTACHMENT E).

RECOMMENDATION

The Board of Commissioners consider granting consent to amend the court ordered development allowing a Starbucks Coffee and bagel\deli, subject to the submitted site plan, architectural design, specified uses only, agreements between the Chattahoochee Plantation Association, Cobb County and Starbucks Coffee Co. dated September 12, 1995, approval by the Cobb County Superior Court if required with all other applicable court ordered covenants and stipulations to remain in effect.

Re: Agreement Regarding Site Plan Proposed at Johnson Ferry Rd. & Paper Mill Rd.

This will acknowledge our meeting of September 8, 1995 with the Homeowners Association/Zoning Representatives for Chattahoochee Plantation Association to discuss the development plans for the above referenced property.

In this meeting, CPCA has agreed to endorse an amendment to the existing site plan for the property dated 11-03-92 and subject to Suresh Parmar and Rick Kelly of Starbucks Coffee Company agreeing to the following stipulations:

1. Suresh Parmar (land owner) and lessee, Starbucks Coffee Company and their sublease tenant recognize the Court ordered Agreement of December, 1973 that runs with the land and will adhere to the development of the property under those specific conditions in addition to the following detailed agreement.

2. Erect a brick enclosure of same brick as main building which will shield dumpster from Sherwood Lane residents and Paper Mill traffic and to be located in the Northwest corner of property.

3. Include some "architectural" character to the Paper Mill side view of the building so that it will not have a commercial blank wall appearance. Stucco or brick quoins of the same design as the corners of the building facing Johnson Ferry Road as shown on the conceptual site plan, dental molding extended along the side of the building as shown in the front, and adequate landscaping in front of this side wall with no building overhang. Colors on building other than brick will be subdued dark green or dark brown.

4. In compliance with Cobb County Arborous' regulations, stringent precautions to protect the roots and branches of the oak tree facing Paper Mill Road will be taken

during and after construction. Area surrounding this tree to be attractively landscaped, and all landscaped areas to be serviced by sprinkler system.

5. Berms: Existing berms on Paper Mill Road will remain and be landscaped to conceal parking areas. Where berms do not exist landscaping will be used to conceal parking lot from Paper Mill Road to the extent practicable.

6. Lights: Parking lot and security lights will be low level and low density and ground mounted Williamsburg lantern-type fixtures and designated to direct the light towards the building and/or parking areas. State of the art lighting will be used.

7. There will be no free standing signs on the property. The signs on the property are restricted to two, which will be attached to the building facing Johnson Ferry Road in accordance with "Paragraph D", page 6 of the restrictive covenants. No neon, back-lighted or plastic signs shall be allowed. The size and color of these two signs to be agreed upon by Starbucks Coffee and CPCA.

8. Outdoor music or events promoting loud noises are prohibited.

9. There will be no drive-up window.
