Current Hearing Date: August 17, 2010

BEFORE THE COBB COUNTY BOARD OF COMMISSIONERS

Applicant: Pacific Group, Inc.
Property Owner: CGCK Vinings, LLC

Applicant and Property Owner request amendments to certain stipulations and conditions for the "townhome" portion of the development to be known as "The Battery on Paces Ferry" (formerly known and approved as "Vinings Main Townhomes," formerly known as "ALTA Vinings Townhomes"), approved through the rezoning process by the Board of Commissioners on December 20, 2005. The proposed amendments are as follows:

- (1) Deletion of Section II(B), Townhomes, paragraph 5 (page 10 of letter of agreeable stipulations and conditions), and insertion of the following in lieu thereof:
 5. The townhome residences shall contain four-sided architecture, which shall be defined as containing brick on all four sides.
- (2) Deletion of Section II(B), Townhomes, paragraph 10 (page 11 of letter of agreeable stipulations and conditions), and insertion of the following in lieu thereof:
 10. A minimum of twenty-four (24) percent of the townhome units shall be "roughed-in" for elevator service, which service shall be offered as an option.
- (3) Amendment to Exhibit "A," relating to unit finishes, referenced in paragraphs II(A),5, and II(B)3 (pages 9 and 10, respectively, of the letter of agreeable stipulations and conditions), as follows:
 - (a) 9 foot ceilings in the living rooms, dining rooms, and kitchens only.

- (4) The exterior of the units shall be in substantial conformity to the renderings to be presented on behalf of Applicant at the Board of Commissioners Zoning Hearing.

The proposed amendments presented herein in no way adversely impact or affect the remainder of the overall development approved in the original rezoning of the Subject Property. If the requested amendments are approved, as submitted, they shall become an additional part of the final rezoning and shall be binding upon the specified portion of the overall development to be known as The Battery on Paces Ferry, as more particularly shown and reflected on the "Revised Final Plat" attached hereto as Exhibit "I" and incorporated herein by reference.

Unless otherwise specifically set forth herein, the balance and remainder of the stipulations and conditions enumerated in the official minutes, and attachments thereto, of the Board of Commissioners Zoning Hearing held on December 20, 2005, in Application No. Z-118 (2005), are unaltered or unchanged by this request for stipulation amendment.
