PETITION NO.: LUP-27

PRESENT ZONING: R-15, R-20

PETITION FOR: LUP

ZONING COMMENTS: Staff Member Responsible: Terry Martin, MPA

The applicant is requesting a Temporary Land Use Permit to operate an animal rescue shelter (rabbits) from a single family residence purchased in September 2009 for this purpose. With a full time resident onsite, the operations are assisted by 2 to 4 volunteers a day. The shelter is a recognized 501(c) (3) and is licensed by the Department of Agriculture. The animals are kept exclusively indoors and the shelter can house as many as 40 rabbits amongst its 20 pens. The facility is open 7 days a week for feedings and cleaning and 5 days a week Tuesday through Saturday 11am to 5pm for adoptions. Due to the nature of adoptions, the applicant estimates that anywhere between 0 to 4 persons a day or 2 to 15 per week may come to the facility. The applicant has upgraded the driveway to accommodate for more parking to alleviate neighbors' concerns which had resulted in complaints to code enforcement. The facility has no signage and expects no more than 1 to 2 deliveries a month. Outside storage contains yard equipment and supplies for the residence and shelter.

Historic Preservation: No comment.

Cemetery Preservation: No comment.

WATER & SEWER COMMENTS:

Records show address as connected to water. Health Dept approval required for on-site sewage management. Sewer is in Shallow Court adjacent to property.

TRAFFIC COMMENTS:

Recommend applicant be required to meet all Cobb County Development Standards and Ordinances related to project improvements.

FIRE COMMENTS:

STAFF RECOMMENDATIONS

LUP-27 MARK SAYEG AND EDIE SAYEG

The applicants' property under this request is located in a residential area and is zoned R-15 and R-20. Moreover, the applicants' property is located in an area designated as Low Density Residential on the Cobb County Comprehensive Plan. As outlined in the zoning comments, the applicants' proposal is a full time animal rescue shelter with resident staff and daily volunteers. Also, vehicular parking due to these volunteers and clients as well as board meetings at the property has resulted in complaints to the Code Enforcement Division. The operation could intensify over time and could possibly encourage more requests for businesses and other non residential use within this residential area. Based on the above analysis, Staff recommends DENIAL.

The recommendations made by the Planning and Zoning Staff are only the opinions of the Planning and Zoning Staff and are by no means the final decision. The Cobb County Board of Commissioners makes the final decisions on all Rezoning and Land Use Permits at an advertised public hearing.
