Please state what hardship would be created by following the normal terms of the ordinance.

I collect antique cars and other vehicles of historical importance and would like to have a garage to store them in. I can not have them in my driveway and do not want them there as it will lower the value.

List type of variance requested: variance is to exceed the allowable detached building of 800 square feet to the size of 1800 square feet
WAIVE SETBACK FOR STRUCTURE OVER 800 SQ FT.
