PETITION NO.: Z-31

PRESENT ZONING: GC

PETITION FOR: NRC

ZONING COMMENTS:

Staff Member Responsible: Terry Martin, MPA

Land Use Plan Recommendation: Neighborhood Activity Center

Proposed Number of Buildings: 1 Total Square Footage of Development: 3270

F.A.R.: .16 Square Footage/Acre: 7,108

Parking Spaces Required: 17 Parking Spaces Provided: 17

The applicant is requesting rezoning to the NRC Neighborhood Retail Commercial zoning district to be allowed to lease the existing, upgraded building for a retail commercial use as it is currently zoned GC General Commercial and is located outside of a Community or Regional Activity Center and has lost its "grandfathered" status. Unoccupied for more than two years, the structure has been renovated; including painting and new bathrooms, but must be rezoned in order to lease to a new tenant. The applicant has submitted a Zoning Impact Analysis (see Exhibit "A").

Historic Preservation: After consulting various county historic resources surveys, historic maps, archaeology surveys and Civil War trench location maps, staff finds that no known significant historic resources appear to be affected by this application. No further comment. No action by applicant requested at this time.

Cemetery Preservation: No comment.

FIRE COMMENTS:

Plans must be submitted to the Cobb County Fire Marshal's Office to initiate the Certificate of Occupancy process.

STORMWATER MANAGEMENT COMMENTS:

The proposed use for this site is uncertain. If the future use is one that could be considered a "water quality hot-spot" (ie. automotive repair, landscaping service, etc.) then the owner will be required to install/retro-fit some type of water quality best management practice on the site. Full stormwater management measures will be required upon redevelopment.
