COMMENTS

TRAFFIC: This request will not have an adverse impact on the transportation network.

DEVELOPMENT & INSPECTIONS: No comment.

SITE PLAN REVIEW: No comment.

STORMWATER MANAGEMENT: The proposed ATM accessory structure will be located over existing asphalt paving. No adverse stormwater management impacts are anticipated.

HISTORIC PRESERVATION: After examining Civil War trench maps, Cobb County historic property surveys, county maps, and various other resources, staff has no comments regarding the impact or treatment of historic and/or archaeological resources.

DESIGN GUIDELINES: No comment.

CEMETERY PRESERVATION: No comment.

WATER: No conflict.

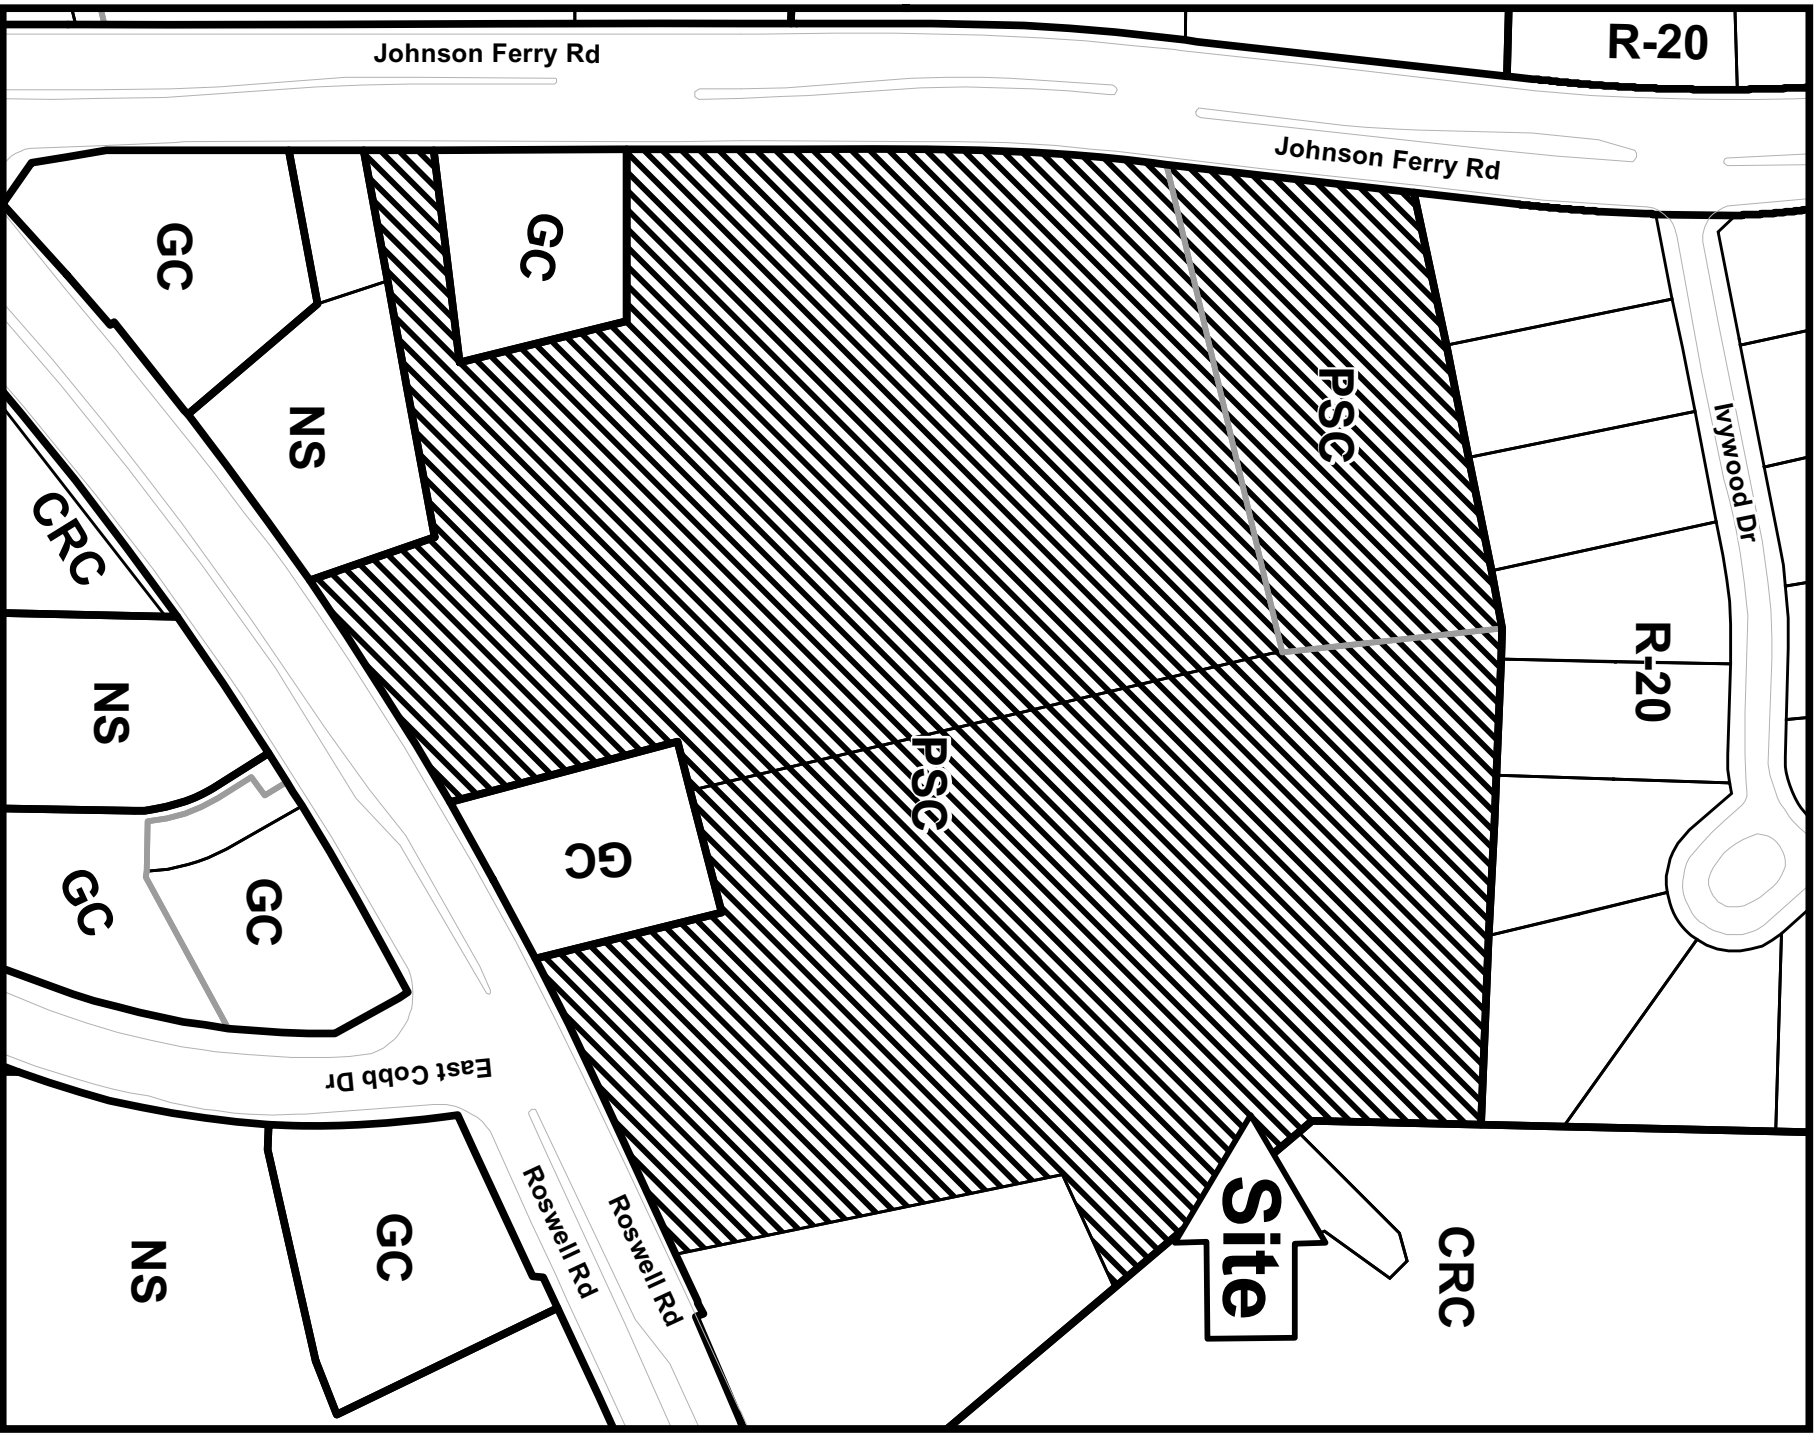

SEWER: All permanent structures must be a minimum of 10 feet from the edge of the sanitary sewer easement.

APPLICANT: JP Morgan Chase Bank

PETITION No.: V-70

FIRE DEPARTMENT: After analyzing the information presented for a Preliminary Review, the Cobb County Fire Marshal's Office is confident that all other items can be addressed during the Plan Review Stage.

The Cobb County Zoning Ordinance Section 134-94 states that the Cobb County Board of Zoning Appeals must determine that applying the terms of the Zoning Ordinance without the variance would create an unnecessary hardship. Please state what hardship would be created by following the normal terms of the ordinance.
See Exhibit "B" attached hereto and incorporated herein by reference.

List type of variance requested: Waiver of requirement for the location of an accessory structure or building in excess of 1,000 square feet to be located to the rear of the primary structure. (See § 134-225(13)).

EXHIBIT "B" - ATTACHMENT TO APPLICATION FOR VARIANCE

Application No.: V-70 (2012)

Hearing Date: September 12, 2012

BEFORE THE COBB COUNTY BOARD OF ZONING APPEALS

**Applicant: JP Morgan Chase Bank,
A National Banking Association**

**Titleholder: East Cobb Crossing, LLC,
A Georgia Limited Liability Company**

Please state what hardship would be created by following the normal terms of the ordinance:

Applicant proposes the placement and construction of an ATM machine within the parking area of the portion of the East Cobb Crossing Shopping Center which is the subject of this Application for Variance. The proposed ATM machine will be constructed upon certain parking spaces within the Center, as more particularly shown and reflected on the plans submitted with the Application. Applicant has had performed a parking study for the Center, and the spaces which remain to service the Center meet, and exceed, the minimum parking requirements. Thus, Applicant seeks a waiver to locate an "accessory structure" in excess of 1,000 square feet to the front of the primary structure. It is totally unfeasible to locate the proposed ATM machine to the rear of the Center. In order for the proposed ATM machine to be economically viable to the Applicant, and to be of service to the East Cobb community, the ATM machine must be located in front of the primary structure. The variance requested herein is not substantial and would allow an otherwise reasonable additional use for the Center; especially, given that, the remaining parking spaces meet or exceed the minimum parking requirements set forth in the Cobb County Zoning Ordinance.
