

**MARCH 19, 2013 ZONING HEARING  
“OTHER BUSINESS”  
COMMISSION DISTRICT 2**

**ITEM # 6**

**PURPOSE**

To consider a site plan amendment for AB Crossing Center, LLC regarding rezoning application #110 of 1984 (Marett Properties, Inc.), for property located on the east side of Johnson Ferry Road, south Little Willeo Road in Land Lot 67 of the 1st District.

**BACKGROUND**

The subject property was approved site plan specific to Office Institutional (OI) zoning district in 1984 for a bank and office buildings which encompassed several buildings. The applicant would like to amend the approved site plan to allow building G to be subdivided off the approved office park property. The stand alone parcel would meet zoning criteria such as parking, setbacks, floor area ratio and height. The applicant has a prospective buyer who needs their own tract in order to add approximately 1,101 square feet to the existing 9,525 square foot building. The building exterior will be upgraded (see attached), as well as the landscaping. The buyer is aware of the Johnson Road Design Guidelines. If approved, all previous zoning stipulations would remain in effect.

**FUNDING**

N/A

**RECOMMENDATION**

The Board of Commissioners conduct a Public Hearing and consider the proposed site plan amendment.

**ATTACHMENTS**

Other Business application, proposed site plan, proposed architecture & floorplan and zoning stipulations.

Dear sir or madam:

Marett Properties, Incorporated's application for rezoning of 12.5 acres at the intersection of Johnson Ferry Road and Little Willeo will be heard on April 24, 1984. As a result of traffic and other studies concerning the property, we would like to submit this final list of stipulations for the rezoning:

1. Curb cuts serving the property be limited to one on Little Willeo Road and two on Johnson Ferry Road. The Little Willeo curb cut to be both entry and egress. The Johnson Ferry Road curb cut nearest Little Willeo Road to be right turn only both in and out of the property.
2. Density to be limited to 10,000 square feet of office space per acre.
3. Thirty (30) feet of the forty (40) foot rear setback shall be designated as undisturbed buffer.
4. Parking shall be allowed in the front setback.
5. Developer shall erect a six (6) foot high wood privacy fence along the rear line adjacent to Hampton Lake Subdivision, except that where no foliage currently exists, developer may use a combination earth berm and plant material to reach a minimum of six feet at maturity.
6. Prior to development, developer shall submit to County complete plans for drainage and silt control, including a hydrology study prepared by a licensed engineer.
7. Architectural control, authority and responsibility to be assigned to W. W. Marett, Jr. and to be compatible with Olde Towne, Merchants Walk, and the Johnson Ferry Baptist Church.
8. Developer to attractively landscape the property while maintaining the existing environment to the maximum practical extent.
9. Developer to use underground utilities and conceal to the maximum extent practical all such elements (Including air conditioners, transformers, and trash receptacles).

10. Developer to use low level lighting similar to that used in Papermill Village.

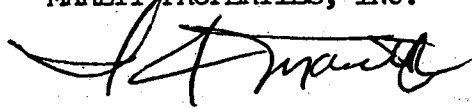

11. All signs to be in conformance with Cobb County sign ordinances. Developer further agrees that signs shall be tasteful in appearance, shall not be backlighted and that no neon-type signs shall be used. Free-standing signs (those not mounted on buildings) shall not exceed twenty (20) feet in height.

12. Developer to provide pedestrian access along Johnson Ferry Road and Little Willeo Road.

We hope that these restrictions, used in conjunction with a very fine land plan, will cause this development to be compatible with the surrounding community and we appreciate your support of this application. If I may be of further assistance or if you have additional questions, please feel free to call me personally.

Sincerely,

MARETT PROPERTIES, INC.

property is located on the east side of Johnson Ferry Road, south  
of Little Willeo Road, in Land Lot 67 of the 1st District.

Mr. Danneman reported that proposed site plan retains the same  
buffers and access points as previously approved, while replacing  
2-story structure with a 1-story structure and greatly reducing  
density.

Following this presentation the Board of Commissioners approved  
site plan for Promina Northwest Physicians Group (zoning  
application #110 of 1984 - Marrett Properties Inc.) subject to site  
plan submitted dated July 26, 1995; 2) all other applicable  
stipulations/conditions to remain in effect. Motion by Wysong,  
second by Byrne, carried 3-0.
