Application for Other Business, Cobb County, GA – (Continued)

Preface:

This Property will still be subject to Stipulations 1) "all previous zoning stipulations of Z-95 of 1990 (Evelyn J. Gordy-Rankin) to remain in effect as is relates to Architectural Review, master landscape plan and any other stipulations from stated previous zoning application which have not been completed" i.e. each new users will have to submit their building elevations, landscape plan, and building and monument signage to the Architectural Control Committee (ACC) for their review before submitting their plans to Cobb County.

Specific Needs or Reasons for Other Business

As to stipulation No. 2) "site plan submitted"

The Property was rezoned for 30,500 SF of retail shops in 1996 in two (2) separate structures (7,300 SF facing Sandy Plains Road and 23,500 SF facing Gordy Parkway). Market conditions have changed, and the size and amount of retail shops are no longer viable. The planned two (2) separate structures will be replaced by three (3) separate free-standing buildings that will be located on their own separate parcels, which will then be leased or sold to individual businesses. The new aggregate SF of the three buildings will be substantially less than the current 30,500 SF.

Request...that the original stipulation No. 2) be deleted in its entirety and replaced with the following:
"The property may be subdivided into three (3) separate individual parcels per the attached preliminary site plan; provided, each parcel meets Cobb County subdivision requirements. The District Commissioner must approve the final site plan and has the authority to approve minor modifications to the site plans".

As to stipulation No.5) "construction of deceleration and acceleration lanes"

All road work and curb cuts have been installed on W. Frank Gordy Parkway. The curb cut on Sandy Plains Road has not been installed.

Request...that the original stipulation No. 5) be deleted in its entirety and replaced with the following:
"All curb cuts have been installed on Gordy Parkway. No other curb cuts will be allowed on Gordy Parkway. Minor modifications of the existing curb cuts on Gordy Parkway may be approved by Cobb DOT. The curb cut for the Property on Sandy Plains Road must meet Cobb DOT approval which will require a deceleration lane".
