Re: Application of Korinne Akridge for a Special Land Use Permit for a Montessori School at 455 Casteel Road f/k/a Lost Mountain Community Church (SLUP-17)

Dear John:

The above-styled Special Land Use Permit application is coming before the Planning Commission on September 8, 2005 and thereafter before the Cobb County Board of Commissioners on September 20, 2005. During the pendency of the application, the applicant has received feedback from the County and residents in the neighborhood. The following is a list of agreeable stipulations that my client is agreeable to becoming a condition of the grant of the Special Land Use Permit.

1. The Special Land Use Permit will be limited to the operation of a Montessori Primary School licensed by the Association of Montessori Internationale. The school will also meet all requirements for a private school as required by the state of Georgia.
2. The school will use the existing building and any additions to the building will be reviewed and approved by the Board of Commissioners.
3. Pursuant to the request of Cobb County DOT, the Applicant will dedicate to Cobb County sufficient road frontage to create a 40 ft. half from the centerline of the existing Casteel Road. The subject property is currently 5 acres meeting the minimum requirements for acreage for a Special Land Use Permit for a private school. With the approval of this permit, Cobb County will be granting a contemporaneous variance for the acreage requirement to allow for the donation of this right-of-way.

4. Also consistent with the request of the Cobb County Department of Transportation, a deceleration lane will be installed at the southern driveway and the southern driveway will be an entrance only with the northern driveway being an exit only. The Applicant will ensure that when children are dropped off there will not be any stacking of vehicles onto Casteel Road and the circular driveway will ensure that a stacking problem does not occur.

Please contact me if you need any additional information or documentation regarding this proposal.

Sincerely,

SAMS, LARKIN & HUFF, LLP
