

**OCTOBER 21, 2014 ZONING HEARING
“OTHER BUSINESS”
COMMISSION DISTRICT 2**

ITEM OB-63

PURPOSE

To consider amending the site plan and the stipulations for Johnson Ferry Crossing Center, L.L.C. regarding zoning application Z-110 of 1984 (Marett Properties, Inc.), for property located on the east side of Johnson Ferry Road, south of Little Willeo Road in Land Lots 981, 1011 and 1012 of the 17th District.

BACKGROUND

The subject property was rezoned in 1984 for an office park development site plan specific with stipulations. The applicant wishes to purchase one building and property, which is building “F” shown on the attached proposed site plan. There will be cross access and utility easements to serve all the buildings within the complex. The applicant will refurbish the building with a new interior and exterior, new landscaping, new signage and new lighting. The building will be used for medical offices. If approved, all previous zoning stipulations not in conflict would remain in effect.

RECOMMENDATION

The Board of Commissioners conduct a Public Hearing and consider the proposed site plan and stipulation amendment.

BEFORE THE COBB COUNTY BOARD OF COMMISSIONERS

Applicant: Johnson Ferry Crossing Center, LLC
Titleholder: AB Crossings Center, LLC

On April 24, 1984, the Cobb County Board of Commissioners approved the rezoning of an approximately 12 acre tract located at the southeast intersection of Johnson Ferry Road and Little Willeo Road from the existing R-20 zoning category to the Office and Institutional ("OI") zoning category. The purpose of the rezoning was to develop the tract for a bank and office buildings. Subsequent to rezoning approval in 1984, development of the intended site occurred; and through the years since development the office buildings located thereon have been owned and leased by various business and have often required amendments tailored to the needs of the occupants.

Johnson Ferry Crossing Center, LLC, as Applicant in this Application for "Other Business" (hereinafter referred to as "Applicant"), intends to purchase the area designated as "Proposed Tract 3 - Building "F," Crossings Center," together with related parking (hereinafter collectively "Property" or "Subject Property"), as more fully shown and reflected on the "Lot Split Survey" dated October 9, 2012, prepared by GeoSurvey, Ltd., a copy of which is attached hereto as Exhibit "1" and incorporated herein by reference. Applicant submits the following stipulations specific to the Property if the amendments proposed herein are approved, as submitted:

- (1) Upon the completion of the anticipated purchase of the Property, Applicant shall refurbish the interior and exterior of the existing building for use as medical offices.
- (2) Applicant shall have the landscaping surrounding the existing building and parking area associated with Building "F" professionally designed, implemented, and maintained; including, if necessary, an irrigation system.
- (3) Any security lighting on the existing building to be installed shall be wall packs, hooded, environmentally sensitive and shall be fitted with non-glare lenses and cut off shields to prevent light from extending beyond the property line.
- (4) Signage shall be in substantial conformance with the established signage for the overall office development. All signage shall comply with Cobb County Zoning Codes and Ordinances.

- (5) In the event the anticipated purchase of the Property by Applicant does not occur within eighteen (18) months of the date of final zoning approval, the creation of the outlot will be cancelled, together with the zoning stipulations proposed herein, and the stipulations applicable to the Subject Property, which are currently applicable to the overall development; namely, the stipulations enumerated in the official minutes of the Cobb County Board of Commissioners Zoning Hearing held on April 24, 1984; together with the April 24, 1984, letter from William W. Marett, Jr. of Marett Properties, Inc. to the Cobb County Commission, on file in the Zoning Division Office, shall remain in effect.

The amendments requested and presented above in no way adversely impact or affect the Subject Property or the remainder of the existing office development, or any prior amendments or approvals relating to other buildings or outparcels. If the amended Site Plan and stipulations applicable to the Subject Property are approved, as presented, they shall become an additional part of the final rezoning and shall be binding upon the Subject Property only.

The balance and remainder of the stipulations and conditions specifically enumerated in the official minutes, and attachments thereto, of the Board of Commissioners Zoning Hearing held on April 24, 1984, applicable to the Subject Property which are not in direct conflict herein are unaltered by this request for Site Plan and Stipulation Amendment and shall remain in full force and effect. Additionally, the balance and remainder of the stipulations and conditions specifically enumerated in the official minutes, and attachments thereto, of the Board of Commissioners Zoning Hearing held on April 24, 1984, applicable to the overall development, and which are not in direct conflict with those proposed herein relating to the Subject Property, are unaltered by this request for Site Plan and Stipulation Amendment and shall remain in full force and effect.

Dear sir or madam:

Marett Properties, Incorporated's application for rezoning of 12.5 acres at the intersection of Johnson Ferry Road and Little Willeo will be heard on April 24, 1984. As a result of traffic and other studies concerning the property, we would like to submit this final list of stipulations for the rezoning:

1. Curb cuts serving the property be limited to one on Little Willeo Road and two on Johnson Ferry Road. The Little Willeo curb cut to be both entry and egress. The Johnson Ferry Road curb cut nearest Little Willeo Road to be right turn only both in and out of the property.
2. Density to be limited to 10,000 square feet of office space per acre.
3. Thirty (30) feet of the forty (40) foot rear setback shall be designated as undisturbed buffer.
4. Parking shall be allowed in the front setback.
5. Developer shall erect a six (6) foot high wood privacy fence along the rear line adjacent to Hampton Lake Subdivision, except that where no foliage currently exists, developer may use a combination earth berm and plant material to reach a minimum of six feet at maturity.
6. Prior to development, developer shall submit to County complete plans for drainage and silt control, including a hydrology study prepared by a licensed engineer.
7. Architectural control, authority and responsibility to be assigned to W. W. Marett, Jr. and to be compatible with Olde Towne, Merchants Walk, and the Johnson Ferry Baptist Church.
8. Developer to attractively landscape the property while maintaining the existing environment to the maximum practical extent.
9. Developer to use underground utilities and conceal to the maximum extent practical all such elements (including air conditioners, transformers, and trash receptacles).

10. Developer to use low level lighting similar to that used in Papermill Village.

11. All signs to be in conformance with Cobb County sign ordinances. Developer further agrees that signs shall be tasteful in appearance, shall not be backlighted and that no neon-type signs shall be used. Free-standing signs (those not mounted on buildings) shall not exceed twenty (20) feet in height.

12. Developer to provide pedestrian access along Johnson Ferry Road and Little Willeo Road.

We hope that these restrictions, used in conjunction with a very fine land plan, will cause this development to be compatible with the surrounding community and we appreciate your support of this application. If I may be of further assistance or if you have additional questions, please feel free to call me personally.

Sincerely,

MARETT PROPERTIES, INC.

Re: AB Crossings Center, LLC
"Other Business" Application
BOC Hearing Date Requested 03/19/2013

Dear Commissioner Ott:

The application of AB Crossings Center, LLC ("Seller") to create an outlet containing Building G of Crossings Center NW, 1000 Johnson Ferry Road, Marietta, Georgia, will be heard on March 19, 2013. The creation of the outlet is requested in order to facilitate the sale of the Building G outlet to MMM Hillandale, LLC ("Purchaser").

Seller and Purchaser hereby submit their proposed stipulations for creation of the outlet, which are designed to bind the Purchaser in the event the sale is completed and to reinstate the prior zoning if the sale is not completed:

1. Upon completion of the sale of the Building G outlet to Purchaser, Purchaser shall be responsible for complying with all zoning requirements applicable to the outlet, including the stipulations contained herein.
2. Upon completion of the sale of the Building G outlet to Purchaser, and in conjunction with development of the Building G outlet, Purchaser shall do the following:
 - a. Attractively landscape the property using native species.
 - b. Install pedestrian lighting along the front of the Building G outlet in conformance with the requirements of the Johnson Ferry Road Design Guidelines (2012).
3. In the event that the sale of the Building G outlet to Purchaser is not completed, the creation of the outlet will be canceled and the zoning stipulations applicable to the AB Crossings Center, LLC property as a whole will revert to those previously in effect, namely, the stipulations contained in the April 24, 1984 letter from William

W. Marett, Jr. of Marett Properties, Inc. to the Cobb County Commission, on file in the Zoning Department.

We hope that these stipulations are acceptable to the Board of Commissioners and will cause the proposed development of the Building G outlot to be compatible with the surrounding community. If you have additional questions prior to the hearing, please feel free to contact us personally.

Very truly yours,
