

**APRIL 21, 2015 ZONING HEARING
“OTHER BUSINESS”
COMMISSION DISTRICT 2**

ITEM OB-023

PURPOSE

To consider amending the stipulations for Traton Homes, L.L.C. regarding Z-50 (Arrowhead Real Estate Partners, LLC) of 2012, for property located on the west side of Stillhouse Lane, south of Cumberland Boulevard in Land Lots 949, 950 of the 17th District.

BACKGROUND

The subject property was rezoned to RM-12 in 2013 for a townhouse style condominium development. The applicant is purchasing the property and needs to amend a stipulation regarding the number of stories for the townhouses. Condition number four from the letter of stipulations limits the height of the buildings to three stories. The applicant plans on finishing the attic space, which qualifies as another story. It is important to note that the buildings are still the same overall height as the stipulated three story buildings, and also, four story buildings are permitted in the RM-12 zoning district. If approved, all other stipulations would remain in effect.

Re: Application of Arrowhead Real Estate Partners, LLC
To Rezone a 5.123 Acre Tract from R-80 to Conditional RM-12
(No. Z-50)

Dear John:

As you know, this firm represents Arrowhead Real Estate Partners, LLC ("Arrowhead") concerning the above-captioned Application for Rezoning. The Application is scheduled to be heard and considered by the Cobb County Planning Commission on March 5, 2013 and thereafter, is scheduled to be heard and considered for final action by the Cobb County Board of Commissioners on March 19, 2013.

With respect to the foregoing, after considering input from area residents and business owners and in keeping with the dialogue which we have established with the County's professional staff (which has recommended approval), we have been authorized by Arrowhead to submit this letter of revised stipulations and conditions which, if the Application for Rezoning is approved, as revised, shall become conditions of and a part of the grant of the requested rezoning and binding upon the subject property thereafter. The referenced stipulations are as follows. to wit:

- 1. The revised stipulations and conditions set forth herein shall replace and supersede in full any and all prior stipulations and conditions in whatsoever form which are currently in place concerning the property which constitutes the subject matter of the above-captioned Application for Rezoning.

 Filing Date 3/19/13

2. Rezoning of the subject property shall be from the existing category of R-80 to the proposed zoning category of Conditional RM-12 in substantial conformity to that certain revised rezoning site plan ("Stillhouse Lane Towns") prepared by Planners and Engineers Collaborative being submitted contemporaneously herewith.
3. The subject property is comprised of approximately 5.123 acres and shall be developed as a single-family, owner occupied, residential townhome community consisting of a total number of forty-three (43) townhomes at an overall density of 8.39 units per acre.¹
4. The townhomes shall be a maximum of three (3) stories in height and shall range in size from a minimum of 2,200 sq. ft. up to 2,600 sq. ft. and greater.²
5. The architectural style and composition of the homes shall be traditional in nature as demonstrated by the photographs which were submitted under separate cover on November 20, 2012. The townhomes shall include a mixture of components on each side consisting of brick, stacked stone, cementitious stucco, hardy plank and hardy plank shake.
6. The creation of a mandatory Homeowners Association and the submission of Declaration of Covenants, Conditions and Restrictions which shall include, among other components, strict architectural controls.
7. The residential community's entrance signage shall be located on Stillhouse Lane and shall be ground-based, monument-style and in substantial conformity to the architectural style and composition as discussed above.
8. All of the townhomes shall be "for sale" only. At any one time, no more than ten percent (10%) of the homes shall be leased by the owners. This recital shall be contained within the Declaration of Covenants ensuring same with said Covenants being submitted to the County prior to the issuance of building permits.

¹ The subject property is located within the Cumberland Galleria Regional Activity Center ("RAC") and within a subcategory denominated as the Vinings Transition Zone ("VTZ"); however, the property is not a part of the recently adopted Vinings Vision Plan.

² It is anticipated that price points should range from approximately \$350,000.00 to \$450,000.00 dependent upon prevailing market conditions.

9. Open space and common areas within the community, and in accordance with the revised site plan, shall be owned, maintained and controlled by the mandatory Homeowners Association. These common space areas shall be used primarily for recreational purposes; however, they may also include such features as gazebos, benches and walking trails.
10. The mandatory Homeowners Association shall be responsible for the upkeep and maintenance of all common areas, landscaped areas, amenity areas, walking trails, fences, streets and lighting and strategically located guest parking spaces within the proposed residential community.
11. A third party management company shall be hired to manage the day-to-day operations of the mandatory Homeowners Association. The third party management company shall also be responsible for the management of all Association monies as well as ensuring that the Association itself is properly insured.
12. The townhome community shall be professionally landscaped and shall be of equal quality to the landscaping contained within other residential developments in the area. Additionally, there will be a focus upon and extra attention to detail along the subject property's frontage on Stillhouse Lane consistent with the landscaping exhibit, prepared by Planners and Engineers Collaborative, which was submitted under separate cover on November 20, 2012.
13. Lighting shall be environmentally sensitive, decorative and themed to the architectural style and composition as aforementioned.
14. Signage interior to the community shall be themed to the architectural style and composition as aforementioned.
15. Electric and communications transformers, all mechanical and HVAC equipment and all trash and/or garbage receptacles shall be enclosed and/or concealed from view through landscaping or similar measures.

16. All utilities shall be located underground.
17. All landscaping referenced herein shall be approved by the Cobb County Arborist as a part of the Plan Review process and incorporated into the overall landscape plan for the community.
18. All streets within the community shall be private with the construction thereof complying in all respects as to Cobb County's Design and Detail Standards.
19. Subject to recommendations from the Cobb County Department of Transportation, as follows:
 - a. The installation of sidewalk, curb and gutter along the subject property's frontage on Stillhouse Lane
 - b. The voluntary donation and conveyance of right-of-way so that the County can achieve twenty-five feet (25') from the centerline of Stillhouse Lane (a local street).
 - c. The establishment of a ten foot (10') no access easement along the subject property's frontage on Stillhouse Lane concerning vehicular traffic except, of course, with respect to the townhome community's entrance located thereon. However, this easement shall in no way preclude or discourage pedestrian connectivity and walkability.
 - d. The installation of curb and gutter along both sides and sidewalk along one side of the private streets within the residential community.
 - e. Verification of minimum intersection sight distance of 280 feet or the implementation of remedial measures in which to mitigate same.
20. Subject to recommendations from Stormwater Management Division with respect to detention, stormwater management, hydrology and downstream considerations. The revised site plan reflects the impervious coverage of forty-nine percent (49%) which exceeds the maximum coverage limit for the RM-12 zoning category (45%). In that regard, Arrowhead agrees to utilize pervious pavement materials to reduce the effective

coverage in accordance with recommendations from the Stormwater Management Division.

- 21. Subject to recommendations from the Cobb County Water System with respect to the accessibility and availability of water and sewer to the site, including the recommendation from the Water System that the townhome community be master metered at Stillhouse Lane and that there be a requirement for a sub-meter on every townhome unit to encourage water conservation.
- 22. Subject to recommendations from the Cobb County Fire Department contained within the Final Zoning Analysis.
- 23. Compliance with all Cobb County Development Standards and Ordinances related to project improvements, except as approved by the Board of Commissioners, the Community Development Agency or by the Department of Transportation, as their respective authority may allow.
- 24. All buffer areas may be penetrated for purposes of access, utilities and stormwater management, including, but not limited to, detention facilities, drainage facilities and any and all slopes and other required engineering features.
- 25. During the construction and build-out of the proposed townhome community, the subject property will be posted on Stillhouse Lane providing area residents and other interested parties with the name, address, phone number and email address of a twenty-four (24) hour/seven (7) day per week construction contact.
- 26. The District Commissioner shall have the authority to review and approve minor modifications to these stipulations, the site plan, the architecture and other components of the Rezoning proposal during the Plan Review process and thereafter.

Please do not hesitate to contact me should you or the staff require additional information or documentation prior to the Application being heard and considered by the Planning Commission and Board of Commissioners next month.
