The Cobb County Zoning Ordinance Section 134-94 states that the Cobb County Board of Zoning Appeals must determine that applying the terms of the Zoning Ordinance without the variance would create an unnecessary hardship. Please state what hardship would be created by following the normal terms of the ordinance (if applying for Backyard Chickens pursuant to Sec.134-94(4), then leave this part blank).

The hardship we are requesting a variance about is locating a shed from our driveway to the back of our property. The hardship is caused by a steep sloping topography which is heavily wooded. This topography prevents the successful relocating of the shed.

List type of variance requested: Variance allowing a shed to stay located at the end of the driveway on this property.
