Henley Vansant, Chairman  
 Cobb County Planning Commission  
 Suite 500, 100 Cherokee Street  
 Marietta, Georgia 30090

Dear Mr. Vansant:

In its May 22, 1995 Public Meeting, the Cobb County Historic Preservation Commission reviewed the Z-71 zoning application submitted by the Williamscraft Group, Inc. for a portion of the Tritt Estate located on Post Oak Tritt Road. The commission voted to recommend to the Cobb County Board of Commissioners that the requested zoning change be granted on the basis of the revised site plan submitted. This plan demonstrates a sensitivity to the natural and historic features of the site. It is the opinion of the Historic Preservation Commission that this development, as presented to date, will be an asset to the county.

Furthermore, it is recommended that the following stipulations be attached to any zoning change granted:

The owner/developer is required to:

- Maintain a dedicated open space area around the Tritt farmhouse as denoted on the submitted site plan.
- Restore the Tritt farmhouse to its approximate exterior appearance during the middle 1800's.
- Maintain the mature trees around the farmhouse as denoted in the submitted site plan.

The owner/developer is encouraged to:

- Restore/recreate some of the older outbuildings as pictured in a 1988 photograph...particularly the well.
- Construct a picket or board fence around the house yard.
- Restore the farmhouse's interior to its approximate appearance in the middle 1800's.

Sincerely,

Robert Crowe  
 Chairman
