ZONING COMMENTS: Staff Member Responsible: Donald Wells

The applicant is requesting to renew a Land Use Permit in order to operate a daycare from their existing church facility Monday through Friday 6:30 a.m. to 6:30 p.m. The LUP is necessary as the daycare will be enrolling children of both church members as well as the public. It is anticipated that the operation will increase the number of employees to 24 persons and take in approximately 150 children. They will increase the student count from 45 to 150 students. The resulting deliveries, signage, traffic, and parking should all be adequately provided for at this existing, developed commercial/industrial site. The applicant has requested approval for 24 months.

(12) Location of the use within the neighborhood.

Based on the above analysis, Staff recommends approval for 24 months subject to:

- Site Plan received May 11, 2011 with District Commissioner approving minor modifications;
- D.O.T. to approve traffic circulation plan; and
- Traffic comments.

The recommendations made by the Planning and Zoning Staff are only the opinions of the Planning and Zoning Staff and are by no means the final decision. The Cobb County Board of Commissioners makes the final decisions on all Rezoning and Land Use Permits at an advertised public hearing.
