

**AUGUST 16, 2016 ZONING HEARING
“OTHER BUSINESS”
COMMISSION DISTRICT 1**

ITEM OB-045

PURPOSE

To consider amending the zoning stipulations for Black Builders, LLC regarding rezoning application Z-33 of 2013 (Blake Properties, Inc.), for property located on the west side of West Sandtown Road, southwest of Dallas Highway in Land Lots 22 & 23 of the 19th District, and Land Lots 331 & 332 of the 20th District.

BACKGROUND

The subject property was rezoned in 2013 to R-20 OSC and R-30 OSC for a residential subdivision with 28 lots. There is a zoning stipulation that states the property would revert back to the R-20 and R-30 zoning districts if the property was not developed with at least one construction permit within 18 months. The 18 month reversion takes effect on September 17, 2016. The applicant would like an additional 18 months added to the reversion clause in order to develop the property per the zoning stipulations. If approved, all previous zoning stipulations would remain in effect.

FUNDING

N/A

RECOMMENDATION

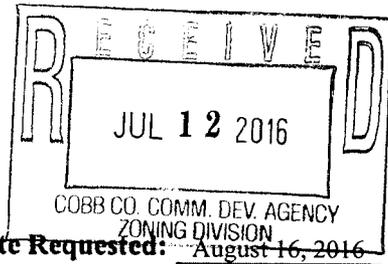

The Board of Commissioners conduct a Public Hearing and consider the proposed stipulation amendment.

Re: Other Business Application of Black Builders, LLC concerning the Application of Blake Properties, Inc. (No. Z-33, approved on September 17, 2013) & concerning the Other Business Application which amended the time frame of the reversion clause for an additional eighteen (18) months (O.B. No. 10, approved March 17, 2015)

Dear John:

This firm has been engaged by and represents Black Builders, LLC and its President, William Brian Black. This firm previously represented Blake Properties concerning the underlying rezoning of the subject property which was approved by the Board of Commissioners on September 17, 2013 subject to numerous stipulations/conditions. Additionally, we also represented Black Builders, LLC in connection with the Other Business Application (O.B. No. 10) which was approved by the Board of Commissioners on March 17, 2015. The latest Other Business Application extended the reversion clause eighteen (18) months from March 17, 2015 to September 17, 2016.

The original builder/developer did not close on the subject property nor did the proposed builder/developer close on the property under contract during the pendency of the previous Other Business approval.

Clearly, with the extensive negotiations that took place with contiguous and adjacent property owners during the pendency of the underlying rezoning, it would be unfortunate for all concerned if the entirety of the process had to be repeated. Therefore, we are asking that this Other Business Application be placed on the Board of Commissioners' Other Business Agenda which will immediately follow the Board's regularly scheduled Zoning Hearings on August 16, 2016.

Re: Application of Blake Properties, Inc. to Rezone a 20.91 Acre Tract from
R-20 & R-30 to R-20/R-30 OSC (No. Z-33)

Dear John:

As you know, this firm represents Blake Properties, Inc. concerning the above-captioned Application for Rezoning. In that regard, the Application was continued by the Board of Commissioners and is scheduled to be heard and considered by the Board on September 17, 2013. Recently, I received a letter from the Stonebridge HOA Board of Directors setting out the terms, provisions and revisions under which Stonebridge HOA could support Blake Properties' zoning proposal. At a special called and properly notified meeting of the Stonebridge HOA on September 8, 2013, it was decided that the Stonebridge HOA is supportive of the revised proposal as hereinafter described.

With respect to the foregoing, even though the County's professional staff recommended approval of 32 lots at a density of 1.68 units per acre, enclosed please find the requisite number of copies of a revised site plan which modifies Blake Properties' zoning proposal to one for R-20/R-30 OSC with a total number of twenty-eight (28) lots at a maximum density of 1.47 units per acre. These revisions and the balance of this letter will serve as the culmination of discussions which have taken place since the original filing of the Zoning Application in May of this year. This letter will serve as Blake Properties' expression of agreement with the following revised stipulations which shall become conditions and a part of the grant of the requested rezoning and binding upon the subject property thereafter:

1. The revised stipulations and conditions set forth herein shall replace and supersede in full any and all prior stipulations and conditions in whatsoever form which are currently in place concerning the property which constitutes the subject matter of the above-captioned Application for Rezoning

2. The subject property shall be developed in substantial conformity to that certain revised site plan prepared by Planners and Engineers Collaborative which is being submitted contemporaneously herewith.¹
3. A maximum number of twenty-eight (28) single family detached homes at a maximum density of 1.47 units per acre.²
4. Exceeding Open Space Community (OSC) Regulations, 46.7% (9.78 acres) of the subject property shall remain in contiguous Open Space as shown on the site plan.
5. The minimum house size for the proposed residential community shall range from 3,500 sq. ft. to 4,500 sq. ft. and greater. Each of the homes shall have, at a minimum, an attached 2-car garage which shall be used for the parking and storage of vehicles.³
6. The architectural style and composition of the homes shall consist of brick, stacked stone, cedar, hardy plank shake or hardy plank siding as shown on the renderings/elevations which are being submitted contemporaneously herewith. The architectural style and composition shall be applicable to all four (4) sides of each home.⁴ All garages shall be side or rear loaded except those products which have side-loaded two car garages in addition to an ancillary single garage as shown on the renderings/elevations.
7. There shall be a minimum of fifteen feet (15') between homes.
8. The creation of a mandatory homeowner's association ("HOA") and the submission of Declaration of Covenants, Conditions and Restrictions ("CCRs"), which shall include, among other components, strict architectural controls.

¹ The subject property is located in an area denominated as Very Low Density Residential ("VLDR") on Cobb County's Future Land Use Map which contemplates densities ranging up to two (2) units per acre. The revised site plan submitted with this letter is at a density of 1.47 units per acre.

² A Yield Site Plan prepared by DGM Associates under the existing R-20 & R-30 districts reflects a total of 26 lots at a density of 1.36 units per acre and encroaches into and utilizes what is otherwise designated as Open Space.

³ Price points are anticipated ranging from Four-Hundred Thousand to Five-Hundred Fifty Thousand Dollars (\$400,000.00 - \$550,000.00).

⁴ These products are identical to the architecture which was approved in connection with the recent rezoning for Edward Andrews Homes (No. Z-37).

9. The mandatory HOA shall be responsible for maintaining fencing, landscaping and the entrance to the subdivision, including signage, lighting and irrigation.
10. Subdivision entrance signage shall be ground-based, monument style and consistent with provisions of the Cobb County Sign Ordinance. Additionally, said entrance signage located on West Sandtown Road shall be incorporated into the Landscape Plan for the subdivision and shall be fully landscaped and irrigated.
11. The submission of a Landscape Plan prior to the Zoning hearing on September 17, 2013 which shall be reviewed during the Plan Review process and which shall be subject to final approval by the County Arborist. The Landscape Plan shall include, inter alia, the establishment of an irrigated and landscaped berm/buffer running parallel to West Sandtown Road along the subject property's frontage thereon. Said berm/buffer shall be measured from the elevation of West Sandtown Road and the height and width of same shall be determined by the County's Arborist.
12. Recognition of a forty foot (40') setback and a twenty-five foot (25') landscaped strip contiguous to property zoned R-30 and a thirty-five foot (35') setback and twenty-five foot (25') landscaped strip contiguous to property zoned R-20. The twenty-five foot (25') landscaped strips shall be planted according to Cobb County Buffer Standards which, after the installation of same, shall remain undisturbed except for the removal and/or replacement of any dead or irrevocably diseased vegetation.
13. The installation of a six foot (6') wooden, decorative privacy fence or "Living Fence", approved by the County Arborist, along the common property line of the subject property and the R-30 tract to the south (354 West Sandtown Road).
14. For those lots directly contiguous to Open Space areas, the deeds vesting title in the ultimate owners of said lots shall contain a recital explaining that said lots are being purchased with the owners' acknowledgment that commonly owned Open Space exists to the rear of their respective properties and can not be built upon.
15. The home on the subject property which is presently owned by the Raines Estate shall be incorporated into the proposed residential community on Lot 9; however, said home shall not be subject to stipulations and conditions contained herein with respect to architecture, setbacks and related considerations.

16. A Conservation Easement shall be granted and conveyed to Cobb County and shall be recorded along with the Subdivision Covenants in Cobb Superior Court deed records for the purpose of protecting the Open Space from development in perpetuity. Said Conservation Easement shall be submitted to the Planning Division of the Community Development Agency prior to final plat approval.

The primary purpose of the Open Space is to include the conservation of the water shed which includes the tributary of Mud Creek which traverses the subject property. There shall be no walking or pedestrian trails within the Open Space as shown on previously submitted site plans. Additionally, no trees shall be removed from the Open Space and it shall remain in its current natural state.
17. Blake Properties and/or its successor(s) in interest shall indemnify Stonebridge HOA and Stillwaters HOA and hold them harmless from damages and/or liability regarding damage to the Mud Creek Watershed caused by the proposed development and shall post a surety bond in an amount to be determined by the Community Development Agency Director.
18. Blake Properties and/or its successor(s) in interest shall provide Stonebridge HOA with written notice regarding any changes, modifications or revisions to the proposed development which require Cobb County or District Commissioner review and approval.
19. Blake Properties and/or its successor(s) in interest shall provide surety bonding to ensure the completion of the construction of the sewer project (hereinafter described) which will occur on Stonebridge HOA property.
20. Blake Properties and/or its successor(s) in interest shall return the Stonebridge HOA property to its preexisting condition, subsequent to the installation of a sewer line which will traverse said property, by replacing landscaping with mature plantings; replacing concrete sidewalks; and, replacing irrigation components, electrical utilities and any other portion of the Stonebridge HOA property which may be disturbed during the construction and installation of the sewer line and the subsequent resurfacing and restriping of the parking lot. The resurfacing and restriping of the parking lot shall include the entirety of said parking lot.

The construction concerning the installation of the sewer line shall occur and be completed in the timeframe between September 30th and March 31st unless otherwise approved by the Stonebridge HOA Board of Directors. All stipulations/conditions embodied in this letter relative to the Sanitary Sewer Line shall be specifically incorporated within the above mentioned easement document.

22. The construction of a six foot (6') wooden, decorative privacy fence along the common property line between the Open Space and the Stonebridge HOA recreational area starting at the southwest corner of property located at 354 West Sandtown Road thence running west and terminating at the 75' impervious streambank buffer.
23. Subject to recommendations from the Cobb County Stormwater Management Division with respect to detention, stormwater management hydrological issues, including the following.
 - a. The ultimate location and configuration of on-site detention, stormwater management and water quality components.
 - b. Recognizing the seventy-five foot (75') streambank buffers (150 ft. total) and the placement of same within a Conservation Easement in favor of Cobb County
24. Adherence to the following construction hours:
 - a. 7:00 a.m. until 7:00 p.m. Monday through Friday, from October 1st through March 31st.
