

**AUGUST 16, 2016 ZONING HEARING  
“OTHER BUSINESS”  
COMMISSION DISTRICT 2**

**ITEM 046**

**PURPOSE**

To consider amending the stipulations for St. Benedicts Episcopal Church, LLC regarding rezoning case Z-21 of 2008, Z-29 of 2012 and SLUP-9 of 2008 (St. Benedicts Episcopal Church, LLC) located on the east side of Cooper Lake Road and on the west side of Atlanta Road in Land Lots 694 & 695 of the 17<sup>th</sup> District.

**BACKGROUND**

The applicant operates a private school as the result of past zoning and special land use permit actions approved by the Board of Commissioners. On December 12, 2015, the applicant was approved by the Board of Commissioners to increase the number of students from 280 students to 380 students. This was conditioned on the applicant purchasing the “green building” (herein called building) next door within 180 days from December 15, 2015. The applicant has not purchased the building as stipulated, but is considering leasing the building. This amendment seeks to change the language of the December 2015 amendment to allow a purchase or lease of the building relating the condition of increasing the student body to 380 students. The applicant has submitted a detailed summary of their proposal which is attached as exhibit A (attached). If approved, all previous stipulations not in conflict with this amendment should remain in place.

**RECOMMENDATION**

The Board of Commissioners conduct a Public Hearing and consider the proposed stipulation amendment.

**ATTACHMENTS**

Other Business application and stipulations.

**Applicant/Titleholder:** St. Benedict's Episcopal Church, LLC

On May 20, 2008, the Cobb County Board of Commissioners granted a request to rezone property located at 2160 Cooper Lake Road from the RM-12 zoning classification to the Office and Institutional ("OI") zoning classification to renovate and refurbish the existing church facilities and parking area for use as a church and day school. One of the stipulations approved in the original rezoning allowed for a "maximum number of students of two hundred eighty (280), phased-in over the next few years." On December 15, 2015, the Board of Commissioners approved the Applicant's request to increase the maximum number of students on the main campus from the previously approved two hundred eighty (280) students to three hundred eighty (380) students. The approval was based upon certain stipulations and conditions which were set forth in the final minutes.

Applicant now seeks amendment of three stipulations which were set forth in the letter of agreeable stipulations and conditions dated December 11, 2015, attached and made a part of the final minutes of the December 15, 2015, Board of Commissioners Zoning Hearing which approved the increase of the maximum number of enrolled students to three hundred eighty (380), as follows:

- (A) Paragraph 1 of the December 11, 2015, letter of agreeable stipulations and conditions shall be deleted in its entirety and the following inserted in lieu thereof:
- (1) Applicant shall purchase, or lease for its exclusive use, on or before the expiration of one hundred eighty (180) days from final zoning approval, the "green building property" located adjacent to the Subject Property. If the purchase or lease is not completed within the time frame herein stated, then, and in such event, any approval by the Board of Commissioners of the matters herein contained, and as set forth in the pending Application for "Other Business," shall automatically stand revoked.

- (B) Paragraph 2 of the December 11, 2015, letter of agreeable stipulations and conditions shall be deleted in its entirety and the following inserted in lieu thereof:
  - (2) If the “green building property” is purchased or leased, Applicant agrees to demolish the building within twelve (12) months from the date of said purchase or lease.
  
- (C) Paragraph 3 of the December 11, 2015, letter of agreeable stipulations and conditions shall be deleted in its entirety and the following inserted in lieu thereof:
  - (3) On or before the expiration of thirty (30) days from the date of purchase or lease of the “green building property,” Applicant agrees to clean and remove all debris from the property , and maintain it in a clean and orderly fashion thereafter.

If the proposed, revised stipulations are approved, as submitted in this Application, they shall become an additional part of the final rezoning and shall be binding upon the Subject Property.

The balance and remainder of the stipulations and conditions specifically enumerated in the final, official minutes, and attachments thereto, of the Board of Commissioners Zoning Hearings held on May 20, 2008; July 15, 2008; and August 21, 2012, together with any “Other Business” decisions applicable to the Subject Property, are unaltered by this request for Stipulation Amendment and shall remain in full force and effect.

Owner: Cooper Lake Investments, LLC

Property: 3.553 acres located at  
2160 Cooper Lake Road,  
Land Lots 694 and 695,  
17<sup>th</sup> District, 2<sup>nd</sup> Section,  
Cobb County, Georgia

Dear John:

As you know, the undersigned and this firm represent St. Benedict's Episcopal Church, LLC, the Applicant (hereinafter "Applicant"), and Cooper Lake Investments, LLC, the Property Owner (hereinafter referred to as "Owner"), in their Application for Rezoning with respect to a total tract of 3.553 acres located at 2160 Cooper Lake Road, Land Lots 694 and 695, 17<sup>th</sup> District, 2<sup>nd</sup> Section, Cobb County, Georgia (hereinafter the "Subject Property"). After meeting with planning and zoning staff and various departmental representatives, discussions with area homeowner groups and homeowner representatives, and

reviewing the staff comments and recommendations and the uses of surrounding properties, we have been authorized by the Applicant and Owner to submit this letter of agreeable stipulations and conditions which, if the Application for Rezoning is approved, as submitted, shall become a part of the grant of the requested zoning and shall be binding upon the Subject Property. This letter shall supersede and replace in full the letter of agreeable stipulations and conditions dated and filed April 30, 2008. The referenced stipulations are as follows:

- (1) The stipulations and conditions set forth herein shall replace and supersede in full any and all prior stipulations and conditions, in whatsoever form, which are currently in place on the Subject Property.
- (2) Rezoning of the Subject Property shall be from the existing zoning category of RM-12 to the proposed zoning category of Office and Institutional ("OI"), site plan specific to that certain As-Built Survey prepared by McClung Surveying Services, Inc. dated May 16, 2002.
- (3) The Subject Property consists of a total of 3.553 acres. Applicant proposes to renovate and refurbish the existing church facilities and parking for a church and day school, up to and including pre-kindergarten and kindergarten.
- (4) The maximum number of students enrolled in the proposed day school shall be two hundred eighty (280). Enrollment shall be as follows:
  - (a) There will be a maximum of eighty (80) students during the 2008-2009 school year which is scheduled to begin September 2008 after completion of renovations to approximately 6,500

square feet on the first floor of the existing structure;

- (b) There shall be a total maximum number of students of two hundred eighty (280), phased-in over the next few years.
- (5) The hours of operation of the proposed day school shall be 6:30 a.m. to 6:30 p.m. to accommodate single-parent families and as well as families where both parents work. Applicant will present a detailed plan for staggered starting times and ending times at the Board of Commissioners Zoning Hearing on May 20, 2008.
- (6) Applicant proposes completion of renovation and occupation of the existing facilities as follows:
  - (a) The church will begin evening meetings at the location during the fall of 2008;
  - (b) Upon completion of renovations to the second and third floors, church administrative offices presently in Vinings will be moved to the renovated facilities;
  - (c) Renovation of the church fellowship hall will be completed before Christmas 2008. The fellowship hall will accommodate large groups and be available for community meetings; and
  - (d) The church worship services will be moved to the renovated facilities before Easter 2009.
- (7) Applicant will preserve the exterior of the old historical sanctuary. Additionally, the existing northern brick addition (the school space) will be preserved essentially "as is" (new windows, decorative

trim, etc.). In the near future, Applicant will make an addition to the center of the existing structure fronting Atlanta Road. The addition will be approximately 1,200 square feet per floor and will increase meeting and office space while making the exterior façade of the building more attractive.

- (8) The "upper hill" area will be preserved as well as the large specimen trees throughout the site. Applicant will attempt, where possible, to reduce the amount of pavement around stressed trees to prolong their life. Additionally, Applicant agrees to walk the site with neighborhood representatives and mark the tree preserve areas.
- (9) Applicant agrees to site improvements to increase circulation and reduce the traffic impact on Cooper Lake Road as more fully shown and reflected on the traffic pattern and queuing plan prepared by Planners and Engineers Collaborative dated May 6, 2008, and submitted contemporaneously with this letter. These improvements will include, but not be limited to, relocating the Atlanta Road entrance slightly to the south, adding a decel lane within the limits of the topography, and reducing access from a full access to a right-in/right-out only. Three of the five entrances on Cooper Lake Road will be closed.
- (10) Applicant has done extensive research into making the proposed school and traffic patterns consistently acceptable for the total number of students planned.

The traffic pattern and queuing plan referenced in paragraph (9) and submitted herewith reflects the traffic patterns for queuing for both pick-ups and drop-offs of students. Each student and parent will be provided with a number which will be placed on a

small board which will be required to identify the student and parent, allowing pick-up of the student. A staff member will be stationed at a point in the queuing line closer to Cooper Lake Road armed with a walkie-talkie. As the parent approaches the pick-up, the staff member will notify another staff member stationed at the pick-up point to have that student or students ready for pick-up when the vehicle arrives. This prevents parents waiting in line at the pick-up point for the student to be located. Space will be provided for at least four (4) vehicles to pick-up simultaneously.

Another staff person will be located at the entrance on Atlanta Road to facilitate permitting vehicles to either exit Atlanta Road or proceed around the queue line to Cooper Lake Road to exit. This will avoid needless delay in allowing vehicles to exit the pick-up point. These operational procedures have been investigated and have proven to greatly ease any delay in moving vehicles through the process.

- (11) Minor modifications to the within stipulations, the referenced As-Built Survey, landscaping, architecture, site features, and the like, may be approved by the District Commissioner, as needed or necessary.
- (12) If Applicant does not close on the purchase of the Subject Property on or before December 31, 2009, the zoning on the Subject Property shall revert to its pre-existing category of RM-12.

We believe the requested zoning, pursuant to the As-Built Survey and the revised stipulations set forth herein, is an appropriate use of the Subject Property. The rezoning and the use sought by Applicant shall allow for the existing facilities to be renovated and used for the benefit of the surrounding community.

Similar to the morning, a minimum of two adults will be assisting the students in loading and buckling so that cars may quickly move forward. Our school partners currently use this method at both of their sites and move 50 to 60 children in 15-20 minutes without any problems. Staff can be added as necessary.

**TRANSPORTATION COMMENTS**

The following comments and recommendations are based on field investigation and office review of the subject rezoning case:

ROADWAY	AVERAGE DAILY TRIPS	ROADWAY CLASSIFICATION	SPEED LIMIT	JURISDICTIONAL CONTROL	MIN. R.O.W. REQUIREMENTS
Cooper Lake Road	3500	Minor Collector	35 mph	Cobb County	60'
Atlanta Road	22100	Arterial	45 mph	Cobb County	100'

*Based on 2006 traffic counting data taken by Cobb County DOT. (Cooper Lake Road)*  
*Based on 2007 traffic counting data taken by Cobb County DOT. (Atlanta Road)*

**COMMENTS AND OBSERVATIONS**

Cooper Lake Road is classified as a Minor Collector and according to the available information, the existing right-of-way does not meet the minimum requirements for this classification.

Atlanta Road is classified as an Arterial and according to the available information, the existing right-of-way does meet the minimum requirements for this classification.

Access to Atlanta Road shall be right-in only.

As necessitated by this development for access from Atlanta Road, a deceleration lane will be required.

Develop and present a circulation plan that will facilitate student drop offs / pick ups and any other related school activity. The plan should show how on-site queuing will be accommodated.

Minimize the number of curb cuts along Cooper Lake Road.

**RECOMMENDATIONS**

Recommend right-in only access along Atlanta Road.

Recommend a deceleration lane along Atlanta Road.

Recommend the applicant develop and present a detailed circulation plan describing how traffic will be handled for all school functions.

Recommend minimizing the number of curb cuts along Cooper Lake Road.

Recommend applicant be required to meet all Cobb County Development Standards and Ordinances related to project improvements.

**Applicant: St. Benedict's Episcopal Church, LLC**

Applicant requests an amendment to the stipulations and conditions approved by the Cobb County Board of Commissioners in hearings regarding the Application for Rezoning (Z-21 (2008)) on May 20, 2008, and Application for Special Land Use Permit (SLUP-9 (2008)) on July 15, 2008. Certain stipulations as to each Application were amended by the Board of Commissioners on December 16, 2008, through an "Other Business" request.

Applicant proposes a farmer's market on its premises. The market will operate as a ministry of the Church to provide the residents of Smyrna/Vinings/Oakdale communities access to health, locally grown, raised or produced food items including produce, meats, cheese, and baked items. Applicant will use its best efforts to ensure that this market will be a first-class experience for both the vendors and the patrons.

Applicant agrees to condition this amendment upon the following:

- (1) To provide local farmers and food purveyors a once a week, seasonal marketplace to sell their goods to the residents of Smyrna/Vinings/Oakdale communities.
- (2) The market day, which is currently proposed for Tuesday, shall be from 4:00 p.m. to 8:00 p.m. Vendors will be allowed to begin setting up at 3:00 p.m. on market days. All vendors will be required to remove all trash and unsold food items from the Property within thirty (30) minutes of market close.
- (3) Vendors must remove all organic material from the Property and will be prohibited from using on-site dumpster or trash receptacle.

- (4) Vendors will be restricted to one 12 x 12 foot "plot" within which to display their goods, and will be required to use the pop-up style tent provided by the Applicant. Vendors will be held accountable for having all necessary licenses, inspections, and permits to sell their goods and report appropriate sales taxes. Applicant will conduct random inspections of these licenses and permits on a regular basis.
- (5) All signage related to the market will be designed professionally to ensure that they are aesthetically appropriate for the intersection. In addition, they will be posted and removed in a timely fashion. The signage may be only placed the day of the market.
- (6) This amendment, if approved, shall terminate September 1, 2009, unless extended by the District Commissioner.

The balance and remainder of the stipulations and conditions specifically enumerated in the official minutes, and attachments thereto, of the Board of Commissioners Zoning Hearings held on May 20, 2008, as to Application No. Z-21 (2008) and July 15, 2008, as to SLUP-9 (2008); as well as the amended official minutes, including attachments, held on December 16, 2008, are unaltered by this request for stipulation amendment.

Applicant believes this to be an important ministry, and one that is very beneficial to the community at large.

**BEFORE THE COBB COUNTY BOARD OF COMMISSIONERS**

**Applicant/Titleholder: St. Benedict's Episcopal Church, LLC**

On June 16, 2009, the Cobb County Board of Commissioners granted Applicant's request to allow for the operation of a farmer's market on the Subject Property. Applicant agreed to stipulations pertaining to the operation of the market, and the Board of Commissioners added stipulations, as well as revised certain stipulations. One stipulation added by the Board of Commissioners was the amendment for the termination of the farmer's market on December 31, 2009.

Applicant now seeks to amend the stipulations to again allow for the operation of the farmer's market on the Subject Property through and including December 31, 2013. The portable classroom units have been removed from the Property, and much of the construction and renovation work has been completed which would allow for additional space to accommodate the public, as well as vendor booths and parking. The market was very successful in its first year of operation in 2009 and was used as a ministry and outreach for the Smyrna/Vinings/Oakdale communities. As in the past, Applicant will use its best efforts to ensure that the market will be a first-class experience for both the vendors and the patrons.

Applicant agrees that should any problems arise during the operation of the farmer's market during the period herein allowed, the District Commissioner may require a "show cause" hearing to have the Applicant respond to the problems presented. Cobb County shall specify the specific problems to be addressed, which shall be included in the notification as to a "show cause" hearing. Cobb County shall provide a minimum of thirty (30) days' prior written notice as to any such hearing. At any hearing, the Applicant may present evidence on its behalf in response to any problem(s) presented. If, upon hearing, the Board of Commissioners determines the problem(s) does exist, the Board of Commissioners may grant a period of time for Applicant to correct the problem; or, if the problem is substantial enough, revoke the permit for the remainder of the term of the Land Use Permit.

reviewing the staff comments and recommendations and the uses of surrounding properties, we have been authorized by the Applicant and Owner to submit this letter of agreeable stipulations and conditions which, if the Application for Rezoning is approved, as submitted, shall become a part of the grant of the requested zoning and shall be binding upon the Subject Property. This letter shall supersede and replace in full the letter of agreeable stipulations and conditions dated and filed April 30, 2008. The referenced stipulations are as follows:

- (1) The stipulations and conditions set forth herein shall replace and supersede in full any and all prior stipulations and conditions, in whatsoever form, which are currently in place on the Subject Property.
- (2) Rezoning of the Subject Property shall be from the existing zoning category of RM-12 to the proposed zoning category of Office and Institutional ("OI"), site plan specific to that certain As-Built Survey prepared by McClung Surveying Services, Inc. dated May 16, 2002.
- (3) The Subject Property consists of a total of 3.553 acres. Applicant proposes to renovate and refurbish the existing church facilities and parking for a church and day school, up to and including pre-kindergarten and kindergarten.
- (4) The maximum number of students enrolled in the proposed day school shall be two hundred eighty (280). Enrollment shall be as follows:
  - (a) There will be a maximum of eighty (80) students during the 2008-2009 school year which is scheduled to begin September 2008 after completion of renovations to approximately 6,500

trim, etc.). In the near future, Applicant will make an addition to the center of the existing structure fronting Atlanta Road. The addition will be approximately 1,200 square feet per floor and will increase meeting and office space while making the exterior façade of the building more attractive.

- (8) The "upper hill" area will be preserved as well as the large specimen trees throughout the site. Applicant will attempt, where possible, to reduce the amount of pavement around stressed trees to prolong their life. Additionally, Applicant agrees to walk the site with neighborhood representatives and mark the tree preserve areas.
- (9) Applicant agrees to site improvements to increase circulation and reduce the traffic impact on Cooper Lake Road as more fully shown and reflected on the traffic pattern and queuing plan prepared by Planners and Engineers Collaborative dated May 6, 2008, and submitted contemporaneously with this letter. These improvements will include, but not be limited to, relocating the Atlanta Road entrance slightly to the south, adding a decel lane within the limits of the topography, and reducing access from a full access to a right-in/right-out only. Three of the five entrances on Cooper Lake Road will be closed.
- (10) Applicant has done extensive research into making the proposed school and traffic patterns consistently acceptable for the total number of students planned.

The traffic pattern and queuing plan referenced in paragraph (9) and submitted herewith reflects the traffic patterns for queuing for both pick-ups and drop-offs of students. Each student and parent will be provided with a number which will be placed on a

small board which will be required to identify the student and parent, allowing pick-up of the student. A staff member will be stationed at a point in the queuing line closer to Cooper Lake Road armed with a walkie-talkie. As the parent approaches the pick-up, the staff member will notify another staff member stationed at the pick-up point to have that student or students ready for pick-up when the vehicle arrives. This prevents parents waiting in line at the pick-up point for the student to be located. Space will be provided for at least four (4) vehicles to pick-up simultaneously.

Another staff person will be located at the entrance on Atlanta Road to facilitate permitting vehicles to either exit Atlanta Road or proceed around the queue line to Cooper Lake Road to exit. This will avoid needless delay in allowing vehicles to exit the pick-up point. These operational procedures have been investigated and have proven to greatly ease any delay in moving vehicles through the process.

- (11) Minor modifications to the within stipulations, the referenced As-Built Survey, landscaping, architecture, site features, and the like, may be approved by the District Commissioner, as needed or necessary.
- (12) If Applicant does not close on the purchase of the Subject Property on or before December 31, 2009, the zoning on the Subject Property shall revert to its pre-existing category of RM-12.

We believe the requested zoning, pursuant to the As-Built Survey and the revised stipulations set forth herein, is an appropriate use of the Subject Property. The rezoning and the use sought by Applicant shall allow for the existing facilities to be renovated and used for the benefit of the surrounding community.

During morning carpool two adults will be at curbside to assist children exiting cars and a third at the entrance to the building as necessary. Younger children will need the most help with seatbelts. Older children will need help with backpacks and other objects.

Projected Afternoon Dismissal Time:

Preschool is 1:00 p.m.  
Kindergarten is 2:30 p.m.  
Grades 1-5 is 3:20 p.m.

These dismissal times are staggered around IAS Charter

Afternoon Dismissals:

- 1:00 - 1:15 p.m. - Preschool students dismissed
  - Carpool used to load students into cars
  - Anticipated number of students during this time is 20-30
  
- 2:30 - 2:40 p.m. - Kindergarten students dismissed
  - Carpool line used to load students into cars
  - Anticipated number of students at full enrollment is 15-25
  
- 2:40 - 3:30 p.m. - Individual pick-ups for preschool and kindergarten

  - Anticipated number of students at full enrollment is 140
  - Carpool system may be implemented if needed for specific times to help alleviate foot traffic in parking lot

The afternoon is the most likely time for a long carpool queue to form. Based on the maximum projected number of students at the standard elementary dismissal, all 75 parents could arrive at the site and be accommodated in the 45 numbered carpool parking spaces and the carpool queue.

During afternoon carpool times, a spotter will be stationed at the northwest corner of the parking lot and will radio the carpool number of the arriving cars to the carpool coordinator in the building. The coordinator will identify the student(s) based on the carpool number and notify the teachers by intercom to send those students to pickup. By the time the car

arrives at the curb the students will be waiting at the "safety" stop on the sidewalk and ready to quickly load.

Similar to the morning, a minimum of two adults will be assisting the students in loading and buckling so that cars may quickly move forward. Our school partners currently use this method at both of their sites and move 50 to 60 children in 15-20 minutes without any problems. Staff can be added as necessary.

Given the maximum of 80 students during the first year, we have the opportunity to fine-tune our process, if necessary, before adding additional students in the fall of 2009. during the first year, every parent could arrive before the start of carpool, the coordination of calling students could be a failure and every car could still be accommodated onsite in parking and the carpool queue.

reviewing the staff comments and recommendations and the uses of surrounding properties, we have been authorized by the Applicant and Owner to submit this letter of agreeable stipulations and conditions which, if the Application for Special Land Use Permit is approved, as submitted, shall become a part of the grant of the requested approval and shall be binding upon the Subject Property. The referenced stipulations are as follows:

- (1) Applicant seeks a Special Land Use Permit for the Subject Property to allow for the operation of a school for ages 2 through grade 5, with reference to that certain As-Built Survey prepared by McClung Surveying Services, Inc. dated May 16, 2002.
- (2) The maximum number of students enrolled in the proposed day school shall be two hundred eighty (280), phased-in over the next few years.
- (3) Applicant may employ the use of portable classrooms, not to exceed four (4) in number. The classrooms must be removed from the Subject Property on or before six (6) months following the final approval of the Special Land Use Permit by the Board of Commissioners.
- (4) Applicant incorporates by reference the final, official minutes, including referenced attachments, from the Cobb County Board of Commissioners Zoning Hearing held on May 20, 2008, approving Application for Rezoning No. Z-21 (2008).

We believe the requested Special Land Use Permit, together with the stipulations set forth herein, is an appropriate use of the Subject Property. The use proposed by Applicant is beneficial to the surrounding community and will allow for maximum utilization of the existing facilities to be renovated by Applicant. As always, we greatly appreciate your consideration in this request.

Re: Z-29 St. Benedict's Episcopal Church

Dear Mr. Pederson:

The purpose of this rezoning request is to modify existing stipulations on the property requiring the construction of a deceleration lane along Atlanta Road for access to property at the existing driveway. As you know this access point has been closed as a condition of the previous rezoning until the deceleration lane is constructed. As the church and school have developed and grown on the property it has become apparent that access to Atlanta Road is not necessary to handle internal traffic and in fact would only complicate management carpool pickup and drop off.

Through discussions with County staff, officials and community members we have developed the following list of stipulations. These stipulations will serve in addition to any already placed on the property, except where in conflict.

1. The driveway on Atlanta Road shall be permanently closed. New curb and gutter and multi-use trail matching the existing shall be constructed along Atlanta Road as well as interior curb within the church parking lot. The deceleration lane along Atlanta Road will no longer be required. This construction will be completed within 6 months of zoning approval and the driveway will continue to remain closed until that time.
2. The church will develop a Master Plan for future growth. This will be submitted within 6 months of zoning approval.
3. The church agrees to all recommendations made by staff expect for the donation of Right of Way along Cooper Lake Road. The recommended 30' from the centerline of the road would impact the existing church parking lot.
4. The church will provide all parents with written directions for carpool as well as a campus map showing the carpool layout prior to each school year. The version for the 2012 school year is attached.

Petition No. . 2-29  
Meeting Date 8/21/12  
Continued

5. To provide more time between school pick up and the beginning of the Farmers Atlanta Road Market (FARM), the farmers market starting time will begin at 4:30pm, whereas previous it began at 4:00pm. The Day School currently ends classes at 3:30pm and carpool is from 3:30pm to 3:45pm.
6. The attached layout shows the location of the school carpool and pickup points as well as the location of the FARM staging area and operating area. FARM vendors will enter the property through the northern driveway on Cooper Lake Road and proceed to the pre-setup area prior to 3:45pm.
7. Temporary signage will be provided on FARM days to early arriving vendors and shoppers to the pre-setup area so as not to conflict with the carpool line.
8. A letter will be provided to all FARM vendors reminding them to proceed to the pre-setup area if they arrive prior to 3:45pm. A copy of this letter is attached.
9. The Day School will have at least one staff member outside monitoring the carpool periods who will be able to assist in directing persons arriving early for FARM.

We believe these proposed stipulations should help address any outstanding concerns, particularly those regarding safety on the property and interaction between the school and FARM.

If you have any questions, please feel free to contact me at 678-279-4301.

Yours Very Truly,

The Rev. Brian C. Sullivan, Rector

Carpool Procedures

Petition No. 2-29  
Meeting Date 8/21/12  
Continued

Families arriving at the school for Passport early morning or late afternoon childcare are to walk their children to the school door and pick them up at the end of the day at the child's room door. All arriving and departing parents must sign their child in and out of the program. Carpools including both elementary and preschool students will begin at 8:15 a.m. Cars containing only preschool students should arrive in the carpool line no earlier than 8:30 a.m. Preschool carpool will end promptly at 8:45 a.m. in order to begin our regular curriculum hours of operation. For morning carpool, staff members will be available to take Preschool children out of their cars, at which time parents will be asked to sign the attendance arrival sheet. Staff will walk children to their classrooms. At the close of the day, staff will assist children as they walk up to their cars. Parents will be asked to sign their child out on the dismissal sheet. They will then be asked to turn off the car engine and put their children into the car seat, securing the car seat straps. Preschool staff will at no time put children into car seats or fastens seat belts. It is the responsibility of the family to ensure that each child is securely fastened into their cars. The use of cell phones during carpool is prohibited under all circumstances to ensure the safety of our children.

Re: Z-29 St. Benedict's Episcopal Church

Dear Mr. Pederson:

Based on discussions with community members St. Benedict's agrees to add a further stipulation to be attached to the requested rezoning. This stipulation will be in addition to those included in our August 6, 2012 letter, as amended by the Planning Commission at the August 7, 2012 hearing.

1. Landscaping shall be planted along the fence between the playground and Cooper Lake Road at the southern end of the property in order to visually screen the playground. The plantings will be complete by April 15, 2013.

If you have any questions, please feel free to contact me at 678-279-4301.

Cobb County, Georgia, and being more particularly known as 2160 Cooper Lake Road (hereinafter "Property" or "Subject Property"). The proposed stipulations are as follows:

- (1) Applicant shall purchase, on or before the expiration of one hundred eighty (180) days from final zoning approval, the "green building property" located adjacent to the Subject Property. If the purchase is not completed within the time frame herein stated, then, and in such event, any approval by the Board of Commissioners of the matters herein contained, and as set forth in the pending Application for "Other Business," shall automatically stand revoked.
- (2) If the "green building property" is purchased, Applicant agrees to demolish the building within twelve (12) months from the date of purchase.
- (3) On or before the expiration of thirty (30) days from the date of purchase of the "green building property," Applicant agrees to clean and remove all debris from the property, and maintain it in a clean and orderly fashion thereafter.
- (4) Prior to the first day of school in August 2016, Applicant shall have prepared a traffic flow plan and shall submit it to Cobb County Department of Transportation for approval.
- (5) Applicant agrees to stagger the arrival and dismissal times of students, providing a period of 15 to 20 minutes between each phase of arrival and dismissal.
- (6) Applicant agrees to add an additional stacking lane along the upper and back side of the building to allow increased stacking, and preventing vehicles from backing up on Cooper Lake Road awaiting entry into the Property.
- (7) The new car pool procedure, as set forth above, and as shown and reflected on the traffic flow plan, shall commence on the first day of school in August 2016.
- (8) The balance and remainder of the stipulations and conditions applicable to the overall, existing residential community are unchanged by the approvals requested by Applicant in its Application for "Other Business."
