Parkway and Herodian Way,
Land Lots 850, 876, 877, 878,

Dear John:

On behalf of the Applicant and Property Owner for the above-referenced Application for Rezoning, please allow this correspondence to serve as a supplement to the letter of agreeable stipulations and conditions dated and filed with your office on March 9, 2005, which if the Application for Rezoning is approved, as submitted, shall also become part of the grant of the requested zoning and shall be binding upon the Subject Property. Applicant deletes in its entirety subparagraph (9) of "Residential Component 'A'" and inserts in lieu thereof the following:

include the relocation and reconstruction of any entrance signs or monuments, landscaping, irrigation system, lighting, etc., impacted by the turn lane construction. In addition, Waterford Place and Applicant agree to grant necessary easements or to quitclaim and transfer title on property necessary to construct the turn lane. The construction and landscaping shall be generally in conformance with drawings by Roy Ashley & Associates dated March 7, 2005, and by URS dated March 11, 2005, and being Project No. 1528006."

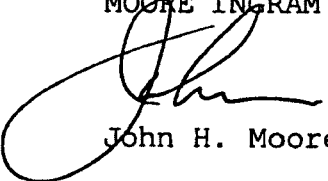

The balance and remainder of the stipulations and conditions set forth in the March 9, 2005, correspondence shall be unaltered by this supplement.

As previously stated, we believe the requested zoning, pursuant to the revised Conceptual Site Plan and the revised stipulations set forth in the March 9, 2005, and the revision contained herein, is an appropriate use of the Subject Property. The proposed community is an exciting concept which fits together numerous types of product into one development. The Applicant has gone to great detail in planning the development.
