Subject: Opposed to the AutoZone

Good evening Lisa,

Unfortunately I won't be able to attend tomorrow mornings meeting: "Cobb County Planning Commission". But would like to voice my opinion on the Autozone construction. As a homeowner and a realtor do not believe adding a Autozone to the corner of Bucker and Veterans Memorial will add value to our already declining area. Why not a Starbucks, Target, Marshals, HomeGoods, or Panera bread ect. Its bad enough that we have a Family Dollar and now a Dollar Tree on the opposite corner. Mableton has potential, I hope county commissioners can see it too.

Please add my opposing vote (as well as for Jessica Banks).

Thank you for your time,

Kira Harris
