Good morning Matt,

This email will confirm the County Staff will continue your Other Business item that was to be heard on July 17, 2018 until the August 21, 2018 Board of Commissioners hearing.

The reason for the continuance is to further meet with the District Commissioner and the community regarding the request.

Please mark through the July date on the Yellow Signs and write in the August 21, 2018 date with a heavy black magic marker.

Please let me know if you have any questions.

Thanks, John
