Good Morning Ms. Birrell,

I plan to attend the Planning Commission meeting and I can speak regarding the correction of the school From Rocky Mount to Davis elementary if necessary. However, I do not plan to address the commissioners regarding Davis elementary specifically as it is very much under capacity at this time and will not cause concern regarding additional new students.

Dennis

Good afternoon:

As you will recall, the above-referenced rezoning application was continued until May. In connection with that case, I received a call yesterday from a citizen stating the School Comments section of the analysis for Z-56 listed the wrong elementary school (Rocky Mount Elementary). The caller said it should be Davis Elementary. I called Dennis Campbell at the CCSD and he said he will check on which is correct. Dennis had Michele Johnson from his office call this morning and they verified that it should have been ***Davis Elementary***.

Please e-mail or call if you have any questions.
