Re: Application of W. Reed Konigsmark to Rezone an 11.23 Acre Tract from R-30 to R-20 - OSC (No. Z-21).

Dear John:

As you know, I represent Mr. W. Reed Konigsmark concerning the above-captioned Application for Rezoning. The Application is scheduled to be heard and considered during the April zoning cycle by the Planning Commission and the Cobb County Board of Commissioners. However, based upon conversations we have had with the District Planning Commissioner and others, we are working on revisions to the site plan and the stipulation letter which will not be completed in time for the Planning Commission's review at their Work Session on March 26, 2018.

In consideration of the foregoing, this letter will confirm that the above-captioned application is being "Continued by Staff" and that consideration of the Application will be held in abeyance until the May zoning cycle which translates into the public hearings before the Planning Commission on May 1, 2018 and the Cobb County Board of Commissioners on May 15, 2018.
