Re: Application of Loyd Development Services to Rezone a 6.696 acre tract from
SC to RA-5 (No. Z-8)

Dear John:

As you know, this firm represents the Applicant concerning the above-captioned Application for Rezoning. The Application is presently scheduled to be heard and considered by the Planning Commission at its public hearing on March 6, 2018, and by the Board of Commissioners on March 20, 2018. In that regard, there are pending developmental issues to iron out and resolve prior to proceeding with the Application.

Based upon the foregoing and as a result of discussions with my client and staff, please allow this letter to serve as confirmation that the Application will be continued and that the County's consideration of same will be held in abeyance until the April zoning cycle. That means that the Application will be heard and considered by the Planning Commission on April 3, 2018 and, thereafter, heard and considered for final action by the Board of Commissioners on April 17, 2018.
