Hi Craig,

I will mark it on the agenda as continued until the November dates. Please come into the office to get new hearing dates stickers.

Thanks, John

Re: Z26 - Rezoning of 4337, 4357, 4371 and 4379 Austell Road, Austell, GA 30106

Jason / Cobb County Community Development, Zoning Division:

Please be advised, due to required plan alterations, landscape revisions, elevation modifications, density re-evaluations, setback assessments and traffic studies we hereby request postponement of our August 7th, 2018 Planning Commission hearing and our August 21st, 2018 Board of Commissioners hearing until November 6, 2018 and November 20, 2018 respectively. This will allow us the additional time required to complete all of the aforementioned revisions, modifications, assessments and studies.

Should you desire to contact me concerning this matter, I can be reached at (404) 784-6964 or via email at cbrown326@aol.com.
