Re: Application of Bobby L. Terrell to Rezone a 1.37 Acre Tract from R-20 to NRC (No. Z-58).

Dear Jason:

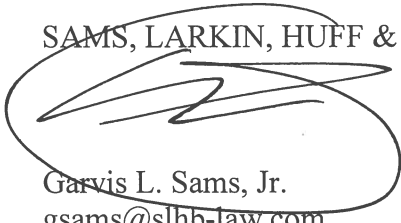

The purpose of this communication is to formally submit a Revised Site Plan regarding the application of Bobby L. Terrell (No. Z-58), which was also provided to you yesterday via email by Frontline Surveying. The enclosed/attached plan simply includes the required impervious surface calculations and does not change the terms of this rezoning proposal nor the agreeable conditions contained in my July 24, 2018 stipulation letter.

Accordingly, the application will remain scheduled to be heard and considered by the Cobb County Planning Commission on September 4, 2018 and, thereafter, by the Cobb County Board of Commissioners ("BOC") on September 18, 2018.

Please do not hesitate to contact me should you or your staff require any further information or documentation prior to the public hearings next month. With kind regards, I am

Very truly yours,
