Dear Ms. Trombetti,

SUB: Application for Rezoning # Z-12

I have recently purchased Carwash located at 2118 Post Oak Tritt Rd Marietta GA 30062. Since the business has been closed for more than a year it has lost its grandfather status of General Commercial. I am now currently applying for Neighborhood Retail Commercial (NRC). My plan is to have the car wash running in a good clean condition so that it attracts customers. Below is a list of some of my plans.

- Repair the roof which is leaking (this work has already been completed)
 - Machinery and Equipment for 5 bays to be repaired so that they can function properly
 - Repair the office on the property
 - Pressure wash and clean the entire car wash
 - Remove all the weeds from the property
 - Landscaping on the front of the property to beautify the entrance of the carwash
 - Paint the building
 - Other necessary upgrades that are deemed important or "good for business"
- motion detector or other lighting on building all sides.

I also intend to have the car wash open from 6AM to 10PM. I appreciate your consideration in approving my application for Rezoning as I am revitalizing a business that has been closed for several years.

Thanking you,

Yours truly,

Yasir Syed

TO THE COBB COUNTY BOARD OF COMMISSIONERS
COBB COUNTY, GEORGIA

CONSTITUTIONAL CHALLENGE

COMES NOW, DIMITAR S. DIMITROV, hereinafter referred to as the "Applicant", and for himself and/or acting on behalf of the Owners, asserts the following, to wit:

1.

By application to which this exhibit relates, Applicant has applied for an Other Business Item regarding certain real property lying and being in Cobb County, Georgia, a more particular description and delineation of the subject property, hereinafter referred to as the "Property", being set forth in said Application.

2.

The Application seeks approval of an Other Business Application by the governing authority of Cobb County, Georgia to amend the stipulations pertaining to a Rezoning; Application No. Z-12 of 2013 (Yasir Syed and Mugees Khan).

3.

The current zoning stipulations/conditions are unconstitutional in that they deprive the Applicants under and pursuant to Article 1, Section I, Paragraphs I and II of the Georgia Constitution of 1983 and the Equal Protection and Due Process clauses of the Fifth and Fourteenth Amendments to the Constitution of the United States. This deprivation of property rights without due process violates constitutional prohibitions against the taking of private property without just compensation.

4.

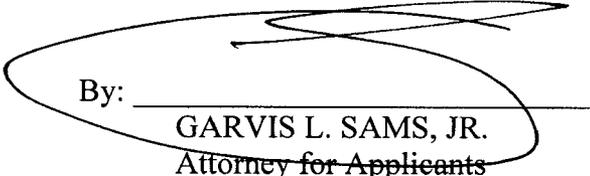

The zoning conditions/stipulations as they presently exist violate the Applicant's right to the unfettered use of the property in that the existing conditions and stipulations do not bear a substantial relation to the public health, safety, morality or general welfare and is, therefore, confiscatory and void. Further, said requirements are unconstitutional in that they are arbitrary and unreasonable, resulting in relatively little gain or benefit to the public, while inflicting serious injury and loss upon the Applicant.

5.

The Cobb County Zoning Ordinance is further unconstitutional in that the procedures contained therein pertaining to the public hearing held in connection with Other Business Applications also violates the aforementioned constitutional provisions in that said procedures contain the lack of procedural and evidentiary safeguards, do not restrict evidence received to the issues at hand and are controlled wholly and solely by political considerations rather than the facts and considerations required by law.

Respectfully submitted, this the 17th day of September, 2018.
