Re: Other Business Application of ALDI, Inc. regarding Rezoning Application No. Z-54 of 2001 to Amend Stipulations

Dear John:

I represent ALDI, Inc. concerning the above-captioned Other Business Application. On May 15, 2001, the rezoning of the subject property was approved to the NRC zoning district subject to numerous stipulations and conditions. One of those stipulations included a prohibition disallowing the sale of alcohol. In that regard, ALDI is requesting deletion of that prohibition so that it can apply to the County to allow the sale of alcohol.

Enclosed please find an original Other Business Application which further communicates the underlying foundation and need for the filing of this Other Business Application. Also enclosed are the following:

1. A copy of the May 15, 2001 approved Board of Commissioners' minutes and referenced exhibits with respect to Z-54 of 2001 and a copy of the minutes reflecting the approval of Other Business No. OB-5 in February of this year.
2. A copy of the receipt for payment of 2017 taxes from the Cobb County Tax Commissioner's Office.
3. A check made payable to Cobb County in the sum of \$300.00 representing the application fee. A check for the signage fees will be submitted separately at the time of submission.
4. A Constitutional Challenge.

Re: OB 005 ALDI Inc.

Dear Mr. Chairman and Commissioners:

On behalf of the Mableton Improvement Coalition, based upon the attached elevations (revision dated January 25, 2018), we recommend approval of this application with the following two stipulations discussed and agreed to by the applicant's representative, Mr. Keeler.

1. ALDI will incorporate into their regular landscape maintenance plan their property, sidewalks, and right of way along Joseph Club Dr. and Patterns Dr. This includes cleaning up this area and the removal of invasive weeds and trash. While the balance of ALDI property is well maintained, these two small areas leading into adjoining neighborhoods have been overlooked and the subject of numerous code enforcement complaints through the years. We appreciate Mr. Keeler agreeing to this condition.
2. Revision of hours of operation to 9:00a.m. to 9:00 p.m. seven days a week. The prior zoning (Z-54 2001) stipulated no Sunday operation, but ALDI has been open on Sundays for many years without issues.

We are pleased to see ALDI thrive in our community and look forward to the updated look from this expansion. As always, thank you for the opportunity to be a part of this public comment process. If you have any questions, please feel free to contact me at 770 948-5394.

TO THE COBB COUNTY BOARD OF COMMISSIONERS
COBB COUNTY, GEORGIA

CONSTITUTIONAL CHALLENGE

COMES NOW, ALDI, INC., hereinafter referred to as the "Applicant", and for themselves and/or acting on behalf of the Owners, asserts the following, to wit:

1.

By application to which this exhibit relates, Applicant has applied for an Other Business Item regarding certain real property lying and being in Cobb County, Georgia, a more particular description and delineation of the subject property, hereinafter referred to as the "Property", being set forth in said Application.

2.

The Application seeks approval of an Other Business Application by the governing authority of Cobb County, Georgia to amend the stipulations pertaining to a Rezoning; Application No. Z-54 of 2001 (ALDI, Inc.).

3.

The current zoning stipulations/conditions are unconstitutional in that they deprive the Applicants under and pursuant to Article 1, Section I, Paragraphs I and II of the Georgia Constitution of 1983 and the Equal Protection and Due Process clauses of the Fifth and Fourteenth Amendments to the Constitution of the United States. This deprivation of property rights without due process violates constitutional prohibitions against the taking of private property without just compensation.

4.

The zoning conditions/stipulations as they presently exist violate the Applicant's right to the unfettered use of the property in that the existing conditions and stipulations do not bear a substantial relation to the public health, safety, morality or general welfare and is, therefore, confiscatory and void. Further, said requirements are unconstitutional in that they are arbitrary and unreasonable, resulting in relatively little gain or benefit to the public, while inflicting serious injury and loss upon the Applicant.

5.

The Cobb County Zoning Ordinance is further unconstitutional in that the procedures contained therein pertaining to the public hearing held in connection with Other Business Applications also violates the aforementioned constitutional provisions in that said procedures contain the lack of procedural and evidentiary safeguards, do not restrict evidence received to the issues at hand and are controlled wholly and solely by political considerations rather than the facts and considerations required by law.

Respectfully submitted, this the 11TH day of September 2018.
